WDOT -AM / New Orleans, LA Quarterly Issues/Program List

Attached are listings of broadcasts or broadcast segments, which, in the station's judgment, reflect the station's most significant programming treatment of community issues during the preceding three-month period.

(station call letters and frequency) broadcasts locally produced and network programming. Although not all programming originates locally, we believe that the news and information provided by the Black Information Network serves the needs and interests of the community.

Program Index

Black Information Network – Delivers both local and national news including local weather and traffic, as well as newsmaker interviews, business updates, and stories of community interest with a focus on race relations, social justice, health, the economy and economic empowerment, crime, politics, the environment, education, and consumer issues.

Air: Monday – Sunday 6AM – 11:59PM
