Well Said Show

Hosted by Ira Nash M.D.

Engineered by WRHU General Manager John Mullen

Public Affairs Show

June 1, 2023 – July 31, 2023

This is a public service program to inform and educate the community about important health and wellness topics.

July 17 – 2023

AI Healthcare

Joining us on Well Said is Dr. Jamie Hirsch, Assistant Vice President of AI, Machine Learning, and Data Insights for Northwell Health and Associate Professor of Medicine in the Division of Kidney Diseases and Hypertension at the Donald and Barbara Zucker School of Medicine at Hofstra/Northwell to discuss Artificial Intelligence and answer the questions: how will AI impact the field of healthcare? And have these changes already begun?

July 3 – 2023

Gun Violence

Joining us on Well Said is Dr. Jose Prince and Dr. Chethan Sathya. Dr. Prince is the Vice Chair of Surgery and the System Chief of Pediatric Surgery and Acute Care Surgery for Northwell Health, Surgeon in Chief at Cohen Children's Medical Center and a professor of Surgery and Pediatrics at the Zucker School of Medicine at Hofstra/Northwell. Dr. Sathya is a Pediatric General and Thoracic Surgeon, Associate Medical Director for Trauma and the Surgical Director for Pediatric Critical Care at Cohen Children's Medical Center, assistant professor of Surgery and Pediatrics at the Zucker School of Medicine at Hofstra/Northwell

and director of the Northwell Health Gun Violence Prevention Center. They will be discussing how gun violence causes physical injury to its victims, increases strain on our health systems, and reshapes entire communities.

June 21 – 2023

Strep Throat

Joining us on Well Said is Dr. Henry Donaghy, Program Director of the Infectious Disease Fellowship at the Zucker School of Medicine at Hofstra Northwell and Assistant Professor at the Zucker School of Medicine at Hofstra Northwell to discuss Strep throat. While Strep infections decreased in the US during the initial years of the COVID-19 pandemic, this past Strep-season, we witnessed a significant surge in Strep infections amongst school-age children, surpassing even pre-pandemic levels.

June 11 – 2023

Water Safety

Well Said

Joining us on Well Said is Dr. Teresa Amato, Assistant Professor at the Donald and Barbara Zucker School of Medicine at Hofstra/Northwell and formerly the chair of the department of Emergency Medicine at LIJ Forest Hills. With summer rapidly approaching, we will be discussing how to safely enjoy spending time at the pool, the beach, the lake, or wherever fun water activities are had!

June 6 – 2023

Robotic Surgery

Joining us on Well Said is Dr. Gainosuke Sugiyama, Vice President of Ambulatory Surgery for Northwell Health's Central Region, System Chief of General Surgery, and Director of System Robotics for Northwell Health to discuss the nuances of robotic surgery - what it is,

who it's for, and what advances we may see in the coming years with such a new technology.

June 5 – 2023

Cardiac Resuscitation: Community and the Future

Joining us on Well Said is Dr. Lance Becker and Mr. Laurence Salzmann. Dr. Becker is the Chair of the Northwell Health System Department of Emergency Medicine as well as the Chair and Kupferberg Professor of Emergency Medicine at the Zucker School of Medicine. Laurence Salzmann is a documentarian known for his film on The Penn Center for Resuscitation Science. They will be discussing Cardiac Resuscitation – the basics that any community member can learn to help save a life and the cutting-edge advances that are changing how we think about life and death.
