QUARTERLY ISSUES/PROGRAM LIST

WRGM AM 1440

MANSFIELD, OHIO

Date: April 10, 2024

Period Covering: January 1, 2024 to March 31, 2024

Prepared by: Robert Meisse, President
Greg Kahl, News Director

Attached is a list of some representative issues and the corresponding programs aired over WRGM during this reporting period, which were determined to be significant to our service areas. During the period, WRGM ascertained the problems and issues utilizing on-going community leader contact. These contacts were made by WRGM management level personnel in the normal course of business, and through contact with community leaders by the Public Affairs Department.

Each issue determined to be significant and which we select to address is covered within our public affairs program, "Focus On North Central Ohio". The 30 minute "Focus" program airs at 6:00 a.m. each Sunday. Also, local and national organizations receive over 250 public service announcements per month. A representative list is attached.

We also participate in community interest projects, airing public affairs, promotional announcements, listing same on our community events listings, and producing live remote broadcasts from these community interest events.
