CROSSTALK

10/19/2012 55 MIN Jim Schneider and Shari Richard
M-F 2:00PM, REPEAT 8:00PM Shari Richard is an Obstetrical Ultrasound Expert and Educator whose medical experience spans 34 years. In 1990 she founded "Sound Wave Images" through which she produced the videos "Ultrasound: A Window To The Womb" and "Eyewitness To The Earliest Days Of Life." In 1992 she founded "The Imaging Network Diagnostic Ultrasound Program" where she pioneered and started the first medical ultrasound clinics for SE Michigan Pregnancy Centers. She has now implemented her success nationwide by providing ultrasound training for the medical staff of pregnancy centers. As a result of Shari's personal grief of abortion, she has committed her life to share God's grace and love to change and heal hearts, and she discussed how she is using 3-D and 4-D ultrasounds to inform expectant mothers who are considering an abortion that the life growing within them is not just a lump of tissue, but a living child and how ultrasound is indeed a window to the womb.

CROSSTALK

12/26/2012 55 MIN Vic Eliason and David Rubin
M-F 2:00PM, David Rubin is the former Mayor of Shiloh, Israel. He is the Founder and President of
REPEAT 8:00PM "Shiloh Israel Children's Fund" which treats children who are victims of terror, and he
is the author of "The Islamic Tsunami: Israel And America In The Age Of Obama,"
and he gave an update on what is happening in Israel. The possible nominee for
Secretary of Defense for President Obama's second term is well-known to be no
friend of Israel. There is also concern about Hamas being in control of the largest
Arab State in Egypt. Iran is still a very real threat to Israel's existence with hundreds of
missiles pointed toward Israel, many with biological weapon-tipped warheads. Israel
must decide how far they will allow Iran's nuclear weapons program to advance
before they attack Iran. There are even some trying to blame the shootings at Sandy
Hook Elementary School in Newtown, Connecticut on Israel.

WORLDVIEW WEEKEND RADIO

12/28/2012 55 MIN Brannon Howse and Jimmy DeYoung
M-F 1:00PM Jimmy DeYoung is with "ProphecyToday.com," and he gave an update on the events
in the Middle East that concern the nation of Israel. He gave a 2012 year in review
news update. Jimmy thought the biggest thing that happened in the Middle East in the
year of 2012 was the civil war in Syria that is still going on. There is still the threat that
Bashar al-Assad may use chemical weapons of mass destruction on his own people
such as sarin gas. Syria may be the first player to attack Israel in the coming days or
weeks. A leader of the Muslim Brotherhood was elected as President of Egypt. He
then put his own men in positions of authority in the military. He then redrafted the
constitution, making Egypt a Muslim State governed by Sharia Law and gave him
almost unlimited power. The UN gives the Palestinians State status with Mahmoud
Abbas as the leading authority, with Jerusalem as the capital city. For 2013 Jimmy
sees the conflicts continuing with Egypt and the PLO, and the civil war in Syria will
continue. He believes Israel will be forced to make a unilateral, strategic, military
strike into Iran to take out their nuclear weapons facilities. The question of Jerusalem
being the Jewish capital and the Jewish settlements issues will continue as well. The
conflicts will probably intensify.

YOUTH

TELLING THE TRUTH

1 MIN George Dooms
M-F 10:56AM, discusses various scientific and social facts and their relationship to the ongoing
REPEAT 7:27PM creation-evolution debate.

WVFL

CROSSTALK

12/19/2012 55 MIN Jim Schneider

M-F 2:00PM,

REPEAT 8:00PM

Jim discussed some current news stories going on today such as: The Benghazi investigation has led to the resignation of three members of the Department of the Secretary of State; Robert Bork, former nominee to the U.S. Supreme Court by Ronald Reagan, died today at the age of 85; The military can now hold U.S. citizens indefinitely, without trial, if expected of domestic terrorism; A Bill for Defense authorization allows for Chaplains to not go against their conscience in their counseling and preaching; A U.S. Marine proposed to his "boyfriend" at the White House--first time ever; In Montana same-sex couples were denied marriage benefits at least for the time being; In Auckland, New Zealand, there is a billboard that questions whether Jesus Christ was gay; New powers were granted to the U.S. Attorney General to store information on American citizens; Oregon has granted illegal aliens about the same freedoms as American citizens; In California free cell phone programs were implemented for the "poor;" 36 of Obama's administration are delinquent on millions of dollars in back taxes; People are talking about arming educators to prevent the same thing that happened in Newtown, Connecticut; People are offended at the songs being sung at a public school Christmas program about the birth of Christ, calling it a form of bullying; In California certain areas are prohibiting people from displaying Menorahs or Nativity Scenes; California Governor Jerry Brown has appointed the first openly gay Justice to an Appeals Court; Radical Professor Peter Singer is once again advocating the killing of children if the life of the second baby's is considered to be better than the first; Michigan has passed and will be signed into law a pro-life bill requiring licensing of abortion clinics; The Founder of Dominos Pizza is fighting against Obamacare forcing employers to fund abortions for employees; Jim DeMint's replacement in the Congress is a very conservative black, who opponents say is black in skin color only; A number of Republican Congressmen have lost their committees due to their challenging of Speaker Boehner's and other GOP leaders' political and fiscal policies; and Vice-President Joe Biden has convened a task force to consider tougher gun-control legislation after the murders at Newtown, Connecticut.

WORLDVIEW WEEKEND RADIO

12/21/2012 55 MIN Brannon Howse and Jimmy DeYoung

M-F 1:00PM

Jimmy DeYoung is with "ProphecyToday.com," and he gave an update on the Middle East. Thousands of Christian pilgrims will be ascending on Bethlehem and the whole area of Israel for the Christmas holidays. Bethlehem was once 85% Christian in population, but now it is about 85% Muslim and only 15% Christian. The Israelis continue to plan to build Jewish settlements in Eastern Jerusalem, which is against the UN and the wishes of the Obama Administration. When the Anti-Christ comes on the scene, will the Jews think he is their Messiah? Jimmy then went into a discussion of Eschatology about the Second Coming of Christ and the Tribulation Period. Many people believe neither side can win the conflict in Syria, although Bashar al-Assad is beginning to use stronger weapons on his own people.

WVFL

WORLDVIEW WEEKEND MINUTE

12/12/2012 1 MIN Brannon Howse

M-F 2:45PM, REPEAT 8:45PM Brannon discussed issues going on in the economy such as the government buying up our own debt and inflating our currency more to help in this process. He also mentioned about the government trying to take control of America's seniors' retirements and redistributing the wealth to the poor in one big retirement fund superintended by the government. He then talked about some things going on with Rick Warren talking about the influence Peter Drucker had in his life. This is where Warren got the ideas of a church being consumer-driven just like a business, not as an organism to carry out the Great Commission, equip the Saints for the work of the ministry, and genuinely worship God.

CROSSTALK

12/14/2012 55 MIN Vic Eliason

M-F 2:00PM, REPEAT 8:00PM Vic discussed several stories that are currently in the news today such as: There has been a shooting at an elementary school in Newtown, Connecticut that resulted in the deaths of 18 kindergarten children and 8-9 adults; The Liberal Left is looking to use this as more evidence for stronger gun control, and the eventual removal of all guns from private citizens; Entertainer Harry Belafonte says Barack Obama should use the mandate he has been given to imprison the opposition much like what is done in a third world country; There is a "gay-friendly" Bible coming out called the "Queen James Bible," where all references against homosexuality has been edited out; Susan Rice, U.S. Ambassador to the UN, has withdrawn her name for consideration for nomination to Secretary of State--Obama may turn to Massachusetts Senator John Kerry as a backup; A number of state governors have refused to implement the Obamacare health care exchanges; Presidential Press Secretary Jay Carney has said that the President will raise the Debt Ceiling unless two-thirds of the Congress is opposed to it; The President has bypassed Congress and implemented the use of "black boxes" in all light trucks, beginning in 2014; and Planned Parenthood is asking supporters to continue to support their "life-saving treatments" that they perform.

WORLDVIEW WEEKEND RADIO

12/14/2012 55 MIN Brannon Howse and Jimmy DeYoung

M-F 1:00PM Jimmy DeYoung is with "ProphecyToday.com," and before he gave an update on the Middle East, he and Brannon discussed the shooting at an elementary school in Connecticut that resulted in 18 children being killed and 8-9 adults being killed. Jimmy also gave a presentation of why he believes from the Bible that December was indeed the time of year Jesus Christ was born, and quite possibly even the correct day of the month being the 25th. He then gave an update on the Middle East. Many Palestinians are talking of unity as the only way to statehood, while others are saying only a military intervention and victory over Israel is the only way to statehood. Egypt's military calls off leadership talks after Obama says he will visit Egypt soon. Secretary of Defense Leon Panetta sends troops to Turkey with Patriot Missiles to protect them against what is going on in Syria, and to protect them against Iran's regime.

WVFL

WORLDVIEW WEEKEND RADIO

11/30/2012 55 MIN Brannon Howse and Jimmy DeYoung
M-F 1:00PM Jimmy DeYoung is with "ProphecyToday.com," and he gave an update on the Middle East which included the recognition by the UN of a Palestinian State and all the ramifications that causes. He also talked about accusations by a Republican Senator that the Muslim Brotherhood is counseling the Obama Administration. He also talked about the Jewish nation bringing thousands of black Jews from Ethiopia into Israel through "Operation Solomon" and other air lift projects.

CROSSTALK

12/5/2012 55 MIN Jim Schneider and Usama Dakdok
M-F 2:00PM, REPEAT 8:00PM Usama Dakdok is the son of a Southern Baptist Pastor and was born and raised in Egypt, attending Muslim schools. He is very familiar with Egypt's culture and society. He is host of VCY's "Revealing The Truth About Islam," is an author, is a popular conference speaker dealing with radical Islam, and is Founder of "The Straight Way Of Grace Ministry," and he discussed how Egypt is in crisis again. Their newly elected President Mohammed Morsi is claiming much of the same all-powerful authority that their former dictator Hosni Mubarak did. The Presidential palace is under siege, and the country is a powder keg ready to blow up.

CROSSTALK

12/7/2012 55 MIN Vic Eliason
M-F 2:00PM, REPEAT 8:00PM Vic discussed many of the stories in the news today such as: A Jewish woman was murdered and dismembered in Iran, because she would not leave her home and allow the Muslims to expand their mosque; In England religious organizations will now be able to conduct same-sex wedding ceremonies; Malia Obama will be taking a taxpayer paid Spring Break vacation trip to Mexico with a price tag of \$153,500.86; A New Mexico high school soccer coach is being forced to resign because he prayed for an injured opponent; 73% of the new jobs created over the last five months are government jobs--20.5 million people are now employed by the government; Senator Jim DeMint, who announced he is retiring from the Senate to become the new President of the "Heritage Foundation," gave a parting shot at House Speaker John Boehner that this country does not need more spending, but responsible fiscal programs; The Obamacare mandate is being sued by a Catholic Archdiocese for forcing them to support funding abortions with their tax money against their right of conscience; A formation of oil resources in North Dakota is perhaps the largest oil find ever that can fuel the American economy for over two thousand years. Another oil find under the Rocky Mountains may be an even bigger find than that in North Dakota. We have more oil resources than any of the Arab States, including Saudi Arabia.

WORLDVIEW WEEKEND RADIO

12/7/2012 55 MIN Brannon Howse and Jimmy DeYoung
M-F 1:00PM Jimmy DeYoung is with "ProphecyToday.com," and he gave a Middle East update. He discussed how Egypt and Syria are both in a state of crisis. In Syria, President Bashar al-Assad is threatening using sarin gas against his own people. The military is just waiting for the command to use the poisonous gas. If this gas touches any part of your body, death results in minutes. In Egypt, President Mohammed Morsi is facing over 100,000 protestors against his power grab. Discussions are going on as to whether Egypt will implement Sharia Law. In Jordan, which is populated 75% by Palestinian people, a radical Muslim group called "Black September" is inciting riots much the same as has happened in many of the other Arab or Muslim states in the Middle East. They would like to be able to take over Amman, Jordan and use Jordan as another launching site for missiles or ground assaults against Israel.

WVFL

VCY TODAY

11/19/2012 15 MIN Vic Eliason
M-F 8:00AM Vic talked about the attacks on Israel by Hamas from the Gaza Strip, and Israel's right to defend itself.

WORLDVIEW WEEKEND RADIO

11/21/2012 55 MIN Brannon Howse and Jimmy DeYoung
M-F 1:00PM Jimmy DeYoung is with "ProphecyToday.com," and he gave an update on what is going on in the Middle East. There has been a temporary cease fire established between Israel and the Palestinians in the Gaza Strip, but many think this will only give Iran more time to re-arm the Palestinians in the Gaza Strip. Some also think Iran is just using these rocket attacks to test the Israeli missile defense system. Iran is using the Sinai to smuggle arms and missiles to the Palestinians in the Gaza Strip through a system of tunnels underneath the Sinai Dessert.

CROSSTALK

11/26/2012 55 MIN Vic Eliason and Avi Lipkin
M-F 2:00PM, REPEAT 8:00PM Avi Lipkin was born in New York, but at age 19 in August 1968 he moved to Israel. Avi served in the Israeli Defense Force as a spokesman for the Judea and Samaria Command, and also served in the artillery reserves. He is speaking to us today live from Israel, and he discussed the attacks on Israel by the Hamas-controlled Gaza Strip and how they are defending themselves from these attacks.

CROSSTALK

11/27/2012 55 MIN Jim Schneider and Ted Shoebat
M-F 2:00PM, REPEAT 8:00PM Ted Shoebat is the son of Walid Shoebat, a former PLO terrorist. Ted is a dedicated researcher of issues such as Socialism, Liberalism, Islamism, and Communism. He is the author of "Satan's Footsteps: The Source and Interconnections Of All Evil" and co-author of "For God Or For Tyranny: When Nations Deny God's Natural Law," and he discussed Egypt's coming tyranny at the hands of their Muslim Brotherhood President Mohamed Mursi. The Egyptian people think they can force Mursi out just like they did with Hosni Mubarak, but with Sharia Law supporting Mursi, the people will be facing a more formidable foe in Mursi than they did in Mubarak.

CROSSTALK

11/28/2012 55 MIN Jim Schneider
M-F 2:00PM, REPEAT 8:00PM Jim discussed the status of the UN Convention On The Rights Of Persons With Disabilities which may be coming up for a vote in the U.S. Senate as early as Thursday, November 29, which would override the rights of parents to train, discipline, provide medical care for, or educate their children as they see fit, and then he gave a round-up of various news stories such as: Senator John McCain is being criticized for being opposed to pro-life issues, believing these issues cost the GOP the recent Presidential election; at a recent awards ceremony actor and musician Jamie Foxx attributed to Barack Obama "Lord and Savior;" the "Heartbeat Bill" in Ohio, which protects the unborn child, is being challenged; there are some ten petitions challenging DOMA presently in the courts; the so-called "fiscal cliff" is still the talk of Congress, trying to decide whether spending cuts and tax breaks or more taxes is the way to avoid this disaster; Hillary Clinton is boasting about the numbers of and benefits for LGBT workers in the State Department; the U.S. Supreme Court has ruled that Liberty Counsel's challenge to Obamacare be reheard at the Court of Appeals level; and Hobby Lobby is still fighting their case against Obamacare to force them to go against their convictions to have them provide health care for their employees to have taxpayer funded abortions.

CROSSTALK

11/12/2012 55 MIN Vic Eliason and Reza Kahlili

M-F 2:00PM, Reza Kahlili is a pseudonym for a former CIA operative in Iran's Revolutionary Guard.
REPEAT 8:00PM Our guest today grew up in Iran. He came to the U.S. to study computer science. His time was cut short with the sudden death of his father. Reza returned home to a country that saw significant change. Clinging to the hope of a Persian Renaissance, he joined the Revolutionary Guards, an elite force at the beck and call of the Ayatollah. But as Khomeini's tyrannies unfolded, and many horrors were witnessed, he returned to America to become a spy for the CIA. He serves on the Task Force on National and Homeland Security and the advisory board of the Foundation For Democracy in Iran. He is the author of the book, "A Time To Betray: The Astonishing Double Life Of A CIA Agent Inside The Revolutionary Guard Of Iran," and he discussed Iran's nuclear threat.

WORLDVIEW WEEKEND RADIO

11/14/2012 55 MIN Brannon Howse

M-F 1:00PM Brannon discussed more about the "Give Act" which allows the Obama Administration to allow college-aged young people to volunteer for community service and train and brain-wash these young people to be his own "civilian army." They receive a hefty college scholarship as a reward for their "voluntary" community service. Brannon also talked about the two main worldviews that are controlling the world today, mostly being Muslim and Marxism combining together to try to destroy their greatest enemies--Capitalism and Biblical Christianity.

WORLDVIEW WEEKEND RADIO

11/15/2012 55 MIN Brannon Howse and Jimmy DeYoung

M-F 1:00PM Jimmy DeYoung is with "ProphecyToday.com," and he gave an update on what is going on in the Middle East. Within the last two days thousands of rockets have been fired into Israel from the Gaza Strip area by Hamas terrorists who are using civilians to hide behind. The Israeli Defense Force is mobilizing to head into the Gaza Strip area to defend itself. The Israeli Defense Force has already taken out the leader of Hamas in the Gaza Strip area. Israel may have to have a two-front engagement in the southwest and the south if Egypt joins the battle. There may also be a force sent into the Golan Heights by Syria to attack Israel on the north which would be a third front.

VCY TODAY

11/16/2012 15 MIN Vic Eliason

M-F 8:00AM Vic briefly talked about all the intrigue, cover-ups, and government misconduct concerning the hearings that begin today over "Benghazigate." He also talked about some of the attempts in Scandinavia to limit religious freedom there. There is also the continuous attempts by the homosexual agenda to put pressure on churches to accept homosexual clergy. Vic also talked about more pressure by the homosexual movement where a couple were sued in New Mexico for refusing to take pictures of a homosexual marriage ceremony. They lost the suit and were forced to pay a large fine to the homosexual couple.

WVFL

WORLDVIEW WEEKEND RADIO

10/19/2012 55 MIN Brannon Howse and Jimmy DeYoung

M-F 1:00PM

Brannon started out talking about a conference that Michael W. Smith is attending and singing in which is a conference consisting primarily of Word of Faith and NAR speakers. Jimmy DeYoung is with "ProphecyToday.com," and he gave an update on the Middle East. The U.S. and Israel are participating in the largest ever military maneuvers in the Middle East. Dr. DeYoung was speaking live from a room overlooking the Mount of Olives in Israel. Bashar al-Assad is using Hezbollah to help fight his own Syrian people to win this civil war uprising against his regime. Reports are coming out that the U.S. Ambassador to Libya that was killed may have been killed because he knew about Syria moving weapons of mass destruction into Libya to conceal them. The Iranian Gestapo is rounding up Christians in Iran to either imprison or execute them to rid the Middle East of Christians.

PRESIDENTIAL DEBATE

10/22/2012 1HR 35 President Obama vs. Governor Romney

8PM-9:35PM

A debate on foreign policy took place between the two candidates for President.

CROSSTALK

11/2/2012 55 MIN Jim Schneider

M-F 2:00PM,

REPEAT 8:00PM

Jim discussed some news stories that are currently in the news such as: there are still many on the East Coast who are being impacted by the effects of Hurricane Sandy, but some crews who have come to help are being refused because the utility workers are not union workers; New York State is asking the federal government to cover 100% of the damages from Hurricane Sandy; EPA administrator has approved the waiver of fuel that can be used because of emergency situations; New Jersey is considering using Department of Defense trucks as polling places; the IRS is not monitoring churches for supporting political candidates and taking away church tax exemption status; polling place machines in areas of Ohio must be reconfigured because they are changing votes for Romney to Obama; at least three Supreme Court Justices will be turning 80 before the next Presidential Election, meaning the next President will probably be able to nominate at least three new Justices to the nation's highest court; because of a voting glitch in Ohio absentee ballots, the nation may have to wait 10 days after the election to find out the results in Ohio; legislation is pending that if a patient has only a short time to live, they may ask their doctor for medication to assist their suicide; the Obama Administration has said that the Christian company Hobby Lobby must obey the Obamacare mandate to support abortions and other forms of contraceptives against their consciences; Attorney General Eric Holder has been tied to an abortionist that has cheated in costs charged for abortions; and in Brazil legislation is pending to charge people who oppose homosexuality with "homophobia"--they found that 90% of their population is "homophobic" and therefore need to be re-educated.

WORLDVIEW WEEKEND RADIO

11/2/2012 55 MIN Brannon Howse and Jimmy DeYoung

M-F 1:00PM

Jimmy DeYoung joined Brannon live from Rome via "Skype." Jimmy DeYoung is with "ProphecyToday.com," and he gave an update on what is going on in the Middle East. The Arab States in the Middle East would welcome a military strike by Israel on Iran. There seems to be less urgency on the part of Israel to attack Iran at this time due to some changes Iran has made in their nuclear program. Jimmy tried to explain what the West Bank really means. Jimmy believes the seven year peace treaty mentioned in Revelation that the Anti-Christ will make with Israel has already been written, but just has not been signed and implemented yet.

WVFL

VCY TODAY

10/5/2012 15 MIN Vic Eliason
M-F 8:00AM Vic talked briefly about comments President Obama made at the UN. He said that the future did not belong to those who persecuted Coptic Christians in Egypt, nor did it belong to those who speak against the prophet of Islam. Did he really mean what he said? Vic used this as a means to talk about speaking with a double tongue.

WORLDVIEW WEEKEND RADIO

10/8/2012 55 MIN Brannon Howse and Jimmy DeYoung
M-F 1:00PM Jimmy DeYoung is with "ProphecyToday.com," and he gave a Middle East update consisting of discussing the list of countries listed in Ezekiel 38 and Daniel 11 and what those countries are today. They are Russia, Iran, Turkey, Syria, Egypt, Libya, and other minor countries that make up this coalition that will come up against Israel and will be defeated on the mountains of Israel which will propel the Antichrist into the ruler of the world. This battle probably takes place at about the mid point of the Tribulation Period. It is not the Battle of Armageddon which will take place at the end of the Tribulation Period, just before Christ comes back in glory to establish His Kingdom. This was a repeat of the 09/21/12 program.

PHYLLIS SCHLAFLY REPORT

10/15/2012 3 MIN Phyllis Schlafly

cliff. If our federal government fails to take action to avert this fiscal cliff, we could
experience a massive economic downturn, which would affect states all across the
nation. Governor Walker joined other governors, three Democrat and two other

continues down the path of massive deficits and increasing debt. As we look to the

necessary to not only help solve the federal deficit, but also provide relief to the
states. Compare Washington's budget problems to what we did here in Wisconsin--
we turned a \$3.6 billion budget deficit into a surplus and for the first time ever,
deposited money in the state's rainy day fund in two consecutive years. He is hopeful

WIS. GOVERNOR RADIO ADDRESS

10/19/2012 2 MIN Governor Scott Walker
FRI 8:18AM, Everyone who does a budget at home knows that it takes hard work and frugality to
REPEAT 3:33PM make ends meet. Having a little extra cash left over to save, is an even bigger
challenge. Well, the same goes for the state budget. Governor Walker is happy to tell
you that for fiscal year 2012 which just ended, our balance sheet shows a surplus of
money. Because of this, we are able to add nearly 109 million dollars to the state's
rainy day fund. This is a pretty big deal-- in fact-- it's the largest contribution to the
rainy day fund in state history. Governor Walker said he put money into the fund last
year, too, and this is the first time in state history money has been added to the rainy
day fund in back-to-back years. We've all seen in recent years how quickly the
economy can crumble, dealing a blow to families and businesses. It's important to
budget wisely--spend LESS and save MORE--so when you really need that extra
cushion--it's there. Moving forward, as he works on the next state budget, he will
continue to focus on what is best for future generations. His priorities are creating
jobs and developing our workforce, investing in infrastructure and reforming
education. The decisions the Governor makes will ALWAYS be made with the people
of Wisconsin in mind. He is committed to running an effective and EFFICIENT
government, so that he can provide necessary services, without breaking YOUR

WIS. GOVERNOR RADIO ADDRESS

10/5/2012 2 MIN Governor Scott Walker
FRI 8:18AM, This week the federal government verified the Quarterly Census of Employment and
REPEAT 3:33PM Wages for the first quarter of 2012. It showed Wisconsin created more than 37,000
private sector jobs from March 2011 to March 2012, including a gain of 12,138 jobs in
the manufacturing sector.
Wisconsin's continued private sector job growth is good news. The Governor is
particularly pleased with the gains in the manufacturing sector, which makes up a
huge portion of our state's economy. The quarterly job count data shows, yet again,
the monthly job estimates are not accurate. He is hopeful that the state Department
of Workforce Development will be able to work with the federal government to bring
the monthly estimates back in line with the actual job numbers. The fiscal reforms
Governor Walker put in place coupled with reforms like reducing frivolous lawsuits
and bringing certainty and accountability to state regulations, have established a
strong foundation for job growth. Moving forward, we will continue to find ways to
make it easier for the people of our state to put Wisconsinites back to work.

Much of this started with Soren Kierkegaard, a spiritual existentialist/philosopher whose teachings were adopted by Friedrich Nietzsche who was a natural existentialist who also embraced the idea of a "super-race." Martin Heidegger, who was the first rector of a Nazi German University, used the teachings of Kierkegaard and Nietzsche to sell the idea to the German people of the German super-race, the importance of the "community," and the extermination of inferior forms of humans such as Jews and Gypsies. Hitler adopted these teachings to implement the "holocaust." This same philosophy, higher criticism, or the relativity of truth spilled over into the German churches. Brannon believes a similar teaching is in the Emergent Church Movement today and Post-Modernist thinking, that will eventually lead to another "holocaust" during the Tribulation Period under the Anti-Christ.

MEN'S ISSUES

WORLDVIEW WEEKEND RADIO

10/9/2012 55 MIN Brannon Howse

Their jobs are not what drives these men, but their dedication to the LORD is what drives them. Many of the pastors and preachers of the past would not be politically accepted by our culture today.

It is a known fact that Mr. Obama knows the majority of the military vote is usually conservative. Getting the ballots to military personnel is very confusing since many military personnel are constantly on the move. Sometimes they don't receive their ballot until after the election. Some of the military personnel's commanders are not doing what needs to be done to get the absentee ballots to each service member. It might be better to use a computer system to allow the military vote, and yet protect the integrity of the election. There have sometimes been hundreds of thousands of military votes that have not been counted.

However, for all of this to take place, the United States must become a Socialist state
to join the other nations in this one-world Socialist system. It may end up as
Communitarian's or Communism and Capitalism combined, because they must
continue to have the middle class to financially fuel this system, pay the taxes, and
provide the wealth to be redistributed. As John Maynard Keynes said they will steal

Brannon talked about what are genuine worldview speakers and what does worldview mean? He talked about how many today who claim to be worldview speakers are really values speakers. He also talked about Dinesh D'Souza, who is a Catholic, and his having a fiancé while he is still going through a divorce, but has not been finalized. He has since resigned his position as President of The King's College.

WORLDVIEW WEEKEND RADIO

10/22/2012 55 MIN Brannon Howse

M-F 1:00PM

Brannon discussed what Rick Warren says is the most important thing in church growth--the campaign. Warren talked about how he received this concept from a former Communist who converted to Catholicism. His latest book is all about this, not doctrine. He uses small groups, led by trained facilitators, to infiltrate churches until he has gotten a foothold to convert the church to an Emergent Church. The Communist probably was still at least a Communitarian or Communism Light.

10/26/2012 55 MIN Brannon Howse and Jonathan Cousar

M-F 1:00PM

Jonathan Cousar has a website "CityOfDeception.com" in the greater New York area, and he discussed the ministry of Pastor Tim Keller of "Redeemer Presbyterian Church" in Manhattan, New York City who is quite influential in Evangelical circles. Jonathan was a member at Keller's church for 20 years. Pastor Keller, along with many other younger Evangelicals, promotes Catholic thought such as social justice and the teachings of the counter reformationists such as those of Ignatius Loyola, Sister Teresa of Avila, other Jesuits, and others. Pastor Keller and other influential pastors have infiltrated the churches with these false teachings. They also talked briefly about the ministry of "Bio-Logos." This was a repeat of the 10/05/12 program.

WORLDVIEW WEEKEND RADIO

10/31/2012 55 MIN Brannon Howse

M-F 1:00PM

Brannon discussed how we should be careful to exercise the lost art of hospitality as Christians. But then he talked about those to whom we should not show hospitality. Many in Evangelicalism are showing hospitality to false teachers, which the Bible commands that we not do. He further talked about Evangelical leaders such as Kirk Cameron showing hospitality and working along side false teachers such as Glenn Beck. This seems to go contrary to the teachings on false teachers in II John.

WORLDVIEW WEEKEND RADIO

11/7/2012 55 MIN Brannon Howse and Justin Peters

M-F 1:00PM

Justin Peters is with "JustinPetersMinistries.com," and he discussed how he and Brannon believe that the new religious right assisted in the re-election of Barack Obama, because God allowed him to be re-elected partly in judgment due to Evangelical leaders aligning themselves with false teachers of the NAR and Prosperity Gospel Movement and New Age Mormons like Glenn Beck. These sins have brought about God's judgment just as much as the sins of homosexual marriage, abortion, and other sins of our culture.

WORLDVIEW WEEKEND RADIO

M-F 1:00PM

Brannon discussed how many in the discernment world are now accepting Jonathan Cahn's book "The Harbinger." Many in the discernment ministries are saying that we should set aside the smaller issues that divide us and come together to save our nation. People in the Word of Faith Movement and NAR are being more accepted as mainstream today. These so-called smaller issues are important, because they deal with the authority and inerrancy of the Word of God. There is no new revelation being given, because the Word of God is complete. It also deals with the Person of Christ, that He is God and was never less than that. They also have problems with Anthropology, that man will not become God, but is a fallen creature that needs to be redeemed. These and other issues are not small, but are cardinal Bible doctrines.

What to Do When You Don't Know What to Do - I

What are the really tough decisions you're facing in your life right now? I'm Mary Wheelchel of The Christian Working Woman, and so often as I've faced tough decisions, I have thrown up my hands and said, "I don't know what to do!" Well, there's a story in the Bible that shows us exactly what we should do when we don't know what to do, and I'll share that with you this week. So join me here on The Christian Working Woman.

Promo for Script 1436, The Christian Working Woman. To be aired week ending October 13, 2012.

What to Do When You Don't Know What to Do - II

I'm Mary Wheelchel of The Christian Working Woman, and making right decisions at critical points in our lives is often baffling—don't you think? I mean, how often have you faced such a situation and felt absolutely clueless. You just don't know what to do! Well, the good news is, God's Word tells us what to do when we don't know what to do, and that's what I'll share with you this week. I hope you'll join me here for The Christian Working Woman.

Promo for Script 1437, The Christian Working Woman. To be aired week ending October 20, 2012.

Christians Are Like Pumpkins!

I'm Mary Wheelchel of The Christian Working Woman, and it's the time of year when we see pumpkins everywhere. But did you ever think that Christians are like pumpkins? I know, it sounds a little weird, but in many ways the life of a Christian is like a pumpkin. Well, on this week's program I'm going to tell you what I mean, so if you want to know how Christians are like pumpkins, please, join me here on The Christian Working Woman.

Promo for Script 1439, The Christian Working Woman. To be aired week ending November 3, 2012.

Think About What You Think About - I

Did anyone ever give you a "penny for your thoughts"? I'm Mary Wheelchel of The Christian Working Woman, and sometimes that's about all my thoughts are worth—how about you? But the truth is, our thoughts are far more valuable than a penny because we are what we think. This week I'm going to talk about our thought lives—I'm going to encourage you to think about what you think about. So join me here on The Christian Working Woman.

Think About What You Think About - II

I'm Mary Wheelchel of The Christian Working Woman, and whether you realize it or not, your thought life is controlling who you are, what you say, what you do. And yet many of us never even think about what we think about. This week I'm going to give you some very practical ways to get your thought life in good shape, so you are thinking within biblical boundaries. Believe me, it's the doorway to freedom, so join me here for The Christian Working Woman.

Promo for Script 1441, The Christian Working Woman. To be aired week ending November 17, 2012.

Fran and Jesus on the Job - Dealing with Failure - I

Did you ever fail so miserably that you thought you might never recover? I'm Mary Wheelchel of The Christian Working Woman, and on this week's episode of Fran and Jesus on the Job, Fran really blows it and has some serious restoration to do in some of her most important relationships. I've been there—no doubt you have to, so tune in to find out how Fran deals with personal failure. Please join me here on The Christian Working Woman.

Promo for Script 1442, The Christian Working Woman. To be aired week ending November 24, 2012.

Fran and Jesus on the Job - Dealing with Failure - II

I'm Mary Wheelchel of The Christian Working Woman, and on this week's program I continue my story of Fran and Jesus on the Job. Fran is having to deal with some significant failures on her part—acting and speaking out of anger, and doing something she knows Jesus doesn't want her to do. How does she deal with these failures? I think her experience will be helpful for us when we do the same thing, so join me here for The Christian Working Woman.

Promo for Script 1443, The Christian Working Woman. To be aired week ending December 1, 2012.

A Biblical Marketplace View - I

What is your view—your attitude—toward your job? I'm Mary Wheelchel of The Christian Working Woman, and this week I want to talk about what a biblical marketplace view is, because I think many of us don't see our jobs the way God sees them. When we get a biblical marketplace view, it can dramatically change us and make our jobs so much more meaningful. Join me for this important discussion here on The Christian Working Woman.

✓ Promo for Script 1444, The Christian Working Woman. To be aired week ending December 8, 2012.

A Biblical Marketplace View - II

Do you think God is more concerned about your church than he is about your business or your job? I'm Mary Wheelchel of The Christian Working Woman, and many times we separate our lives into sacred and secular, but a biblical marketplace view doesn't give us that option. This week I'm going to conclude my thoughts on how, as Christians, we should see our workplace—whether it's at home or outside our homes. I hope you'll join me here for The Christian Working Woman.

✓ Promo for Script 1445, The Christian Working Woman, to be aired week ending December 15, 2012.

Dealing with the Foolish People in Your Life - I

Do you have any foolish people in your life? I'm Mary Wheelchel of The Christian Working Woman, and most of us would admit that we encounter people who behave in very foolish ways. Well, on this week's program I'm going to look at how the Bible defines foolish behavior, and also what we should do when we find ourselves working with or living with a foolish person. I hope you'll join me here on The Christian Working Woman.

✓ Promo for Script 1446, The Christian Working Woman, to be aired week ending December 22, 2012.

Dealing with the Foolish People in Your Life - II

I'm Mary Wheelchel of The Christian Working Woman, and this week I compete my message on dealing with foolish people. You know, the Bible has lots to say about fools and how they behave. In fact, there are many examples in the Bible of foolish people. We need to make sure we are not one of those who behave foolishly, and we need to know how to respond to those who do. I hope you'll join me here for The Christian Working Woman.
