

RADIO STATION KVNN-AM, VICTORIA, TEXAS
QUARTERLY ISSUES/PROGRAMS LIST
2nd QUARTER - 2017

Listed below are some of the significant issues responded to by Radio Station KVNN-AM, along with the most significant programming treatment of those issues for the period April 1, 2017 to June 30, 2017. The listing is by no means exhaustive or all-inclusive. These issues were in part ascertained through discussions with service-providers and general interaction of station staff with the community, and staff knowledge of the community and area occurrences. The order in which the issues appear does not reflect any particular priority.

The following issues were principal topics or themes within the station's weekly public affairs program, "Issues Today" (IT), which is broadcast on Sunday Mornings at 7:00am. Each program has a normal running time (or length) in the range of 29 to 30 minutes. Each program is usually in two or three parts, each dealing with separate topics and issues.

Health/Big Government – 04/02/17 – IT – Interview with Dr. Robert Marx, Professor of Surgery, Univ. of Miami's Miller School of Medicine, about some prescriptions that are deadly, and about how the government needs to do more to study drugs.
