Tips from a Former Smoker – 08/26/15 - TFN

:60 spot Tiffany talks about losing her mother who was a smoker and died when Tiffany was 16 years old. Tiffany decided to quit smoking in 2012 when her own daughter turned 16. She started reading about how to quit smoking. She set a quit date. Threw out lighter, matches, and ashtrays. She began exercising more. I'd still get cravings, especially on long car rides. I put a picture of my mother in my car. It reminds me about my daughter 1-800-QUIT-NOW. www.cdc.gov/Tips

Make the Connection – Veterans Affairs 03/12/14 – TFN

:60 spot I joined the military because I wanted to contribute to something bigger than myself. After a while it takes a toll. I was counting the days until I came home to my family. At first it was good to be home. Then I realized things were different, I was different. I had trouble focusing and relating to things the way that I used to. A buddy noticed and told me that

there are resources out there for Veterans. I found resources that helped and connected with other Veterans with similar experiences. Once I made connections things started to turn around. Find resources and support at maketheconnection.net. U.S. Dept. of Veterans Affairs.

Kidney Disease – 03/21/16 - TFN

:60 spot There is a progressive and potentially fatal health condition that effects one in seven American adults, and causes more deaths annually than either breast cancer or prostate cancer. One third of Americans are at risk of developing this disease, and yet the symptoms are so difficult to detect that most people don't even know they have it until they become critically ill and require emergency medical intervention. Can you guess what it is? It's chronic kidney disease, a preventable and treatable condition that takes a terrible toll on overall health and quality of life for millions of Americans.

Our kidneys play a vital role in keeping us healthy and ensuring our bodies work properly. Their primary function is to filter wastes and extra water out of our blood to make urine. Our kidneys also help control blood pressure, maintain healthy bones and make red blood cells. When someone develops kidney disease, their kidneys stop functioning properly which can lead to serious health issues and even death.

Now, Optum created this public service campaign to join the National Kidney Foundation and health advocates around the country in raising awareness about the prevalence, prevention, and treatment of kidney disease. The PSA helps listeners understand what kidney disease is, who is at risk for developing it, and what they can do to avoid serious kidney health issues. It also shares simple steps everyone can take to help prevent or slow the progress of kidney disease, and how to spot the signs that someone may need to seek care for a kidney health issue.

Children's Eye Health 09/05/18 – TFN

:60 spot Eye health is important to overall health, especially for children. One in four children have vision problems that, if left untreated, may result in learning issues and hinder development and academic performance in school. All children, even those with no signs of trouble, should have their eyes checked during the first few years of life, before entering kindergarten, and throughout the school years. Signs of vision problems include squinting while reading or watching TV, frequently rubbing the eyes, one eye appearing crossed or looking outwards, or issues reading or writing. Watch for digital eye strain, which is caused by prolonged use of computers or smartphones and can cause dry eyes, blurred vision or headaches. Keep digital screens at least 30 inches away from your eyes and rest your eyes every 20 minutes. For adults and children, early detection and treatment of vision problems can save the gift of sight, while a comprehensive eye exam can help uncover health conditions not usually associated with the eyes, including juvenile rheumatoid arthritis. Protect Your Everyday – 02/10/16 – TFN

:60 spot I'm a fire fighter, a teacher, a barber, a farmer, a mom. We are part of your everyday life. It's the moment you experience uncertainty. Something or someone's behavior doesn't seem quite right. These are the moments to take a pause. If something doesn't feel right it probably isn't. It's not about being afraid or paranoid. It's about standing up to protect our community one detail at a time. A lot of little details can become a pattern. We should trust our instincts just like you should. :60 spot Did you know that Hepatitis C affects an estimated 3.2 million Americans, yet as many as 50% don't know they are infected? Hepatitis C is a serious liver disease that causes health problems, including liver damage, cirrhosis and even liver cancer. Learning & Attention Issues – 2 Sides – 02/09/18 – 10/28/18

:60 spot 15 million children ages 3-20, or 1 of every 5 kids in the U.S. class have learning and attention issues and many may never receive a formal diagnosis. In the classroom, these students can appear distracted, disengaged, or even disrespectful, leading to misperception that they lack interest, motivation, discipline or intelligence. If adults could see school through the child's eyes, they'd see the confusion, frustration, and isolation that comes with their struggle to learn. With the right support from parents, educators, and the community, kids with learning and attention issues can thrive academically, socially, and emotionally. They have the same

potential for success as their peers. A new PSA campaign helps parents understand the two sides of learning and attention issues, driving them to Understood.org for resources to foster support and success in school and life.

Caregiver Assistance - Are we there yet? 02/09/18 – 11/09/18

:60 spot Family support is critical to the care needed for older adults as they age, but often comes at substantial costs to those providing the care and to their families. According to the "Caregiving in the U.S." report, in 2009, there were roughly 40 million caregivers in the U.S., providing an estimated \$450 billion worth of unpaid care to aging relatives and friends. A popular misconception is that caregivers are paid medical professionals, when in reality, most caregivers are family members or friends who are also working and managing their own families at the same time. For many, the caregiving role starts with simple things like scheduling a doctor's visit, but gradually expands until it becomes a major commitment in their lives. In recognition of the essential role care givers play, the PSAs depict the circle of life and how roles change often without us even noticing.

High Blood Pressure Numbers – 02/09/18 – 10/18/18

:60 spot About 85 million Americans (1 in 3 adults over age 20) have high blood pressure, but only half of those individuals have their condition under control. Uncontrolled high blood pressure can lead to heart failure, heart attack, stroke, vision loss, kidney disease, and even death. However,

people with high blood pressure can create a treatment plan with their doctor that can help reduce their risk for heart attack, stroke, and other related health issues. While most people know their blood pressure numbers, many don't follow their high blood pressure treatment plan because they feel fine and don't notice any symptoms. Their numbers are not tangible or urgent. The campaign encourages people to talk with their doctor to create or evolve a treatment plan and visit LowerYourHBP.org to learn more about high blood pressure.

Your risk may be increased by obesity, increasing age and a personal or family history of breast or ovarian cancer. Talk to your doctor about whether you're at risk.

A child with a CASA Volunteer is:

1. Half as likely to re-enter foster care

2. Substantially less likely to spend time in long-term foster care
3. More likely to do better in school (pass course, less likely to have poor conduct, and less likely to be expelled)
4. More likely to find a safe, permanent home 8 months faster than a child without a Casa Volunteer.

World Vision's concern for their plight is so deep that we're now reaching one new person with clean water every 10 seconds. As the world's largest nongovernmental provider of clean water in the developing world, we are committed to reaching everyone everywhere we work by 2030.

Emergency Preparedness – Floods – 02/09/18 – 09/11/18

:30 spot The Ready PSA campaign from FEMA is designed to prepare American families for an effective response to whatever natural or man-made disaster may come next. While the country has experienced recent devastating natural disasters, such as earthquakes, wildfires, tornados and hurricanes, only 20% of Americans say they feel very prepared for a disaster. Yet 64% of Americans say disaster preparation is very important for people to do. The Ready campaign's resources can help close that gap. The PSA message—"Don't Wait. Communicate."— encourages Americans to talk to their loved ones and make a plan that's shared with all family members. The campaign also encourages Americans to be informed and build a kit with essential supplies that will last up to 72 hours. PSAs urge every American to visit Ready.gov and learn how to make their emergency plan today.

In fact, 25% of teens respond to a text message once or more every time they drive. Bridging the Gap – 28:00 Minutes – Saturday 7:30 p.m. – 09/01/18

Host is Jimmy Robles, Sal Mendez is interviewer today.

Guest: is Verlyn Maldonado. She recently hosted the Westside BTG meeting. There is a special house that was originally the Carol Burnett house at the corner of Commerce and S Pinto. The house was donated by the Cisneros, a family who still live in the neighborhood and are active in it. There is also a house across the street at 2007 Commerce St.

The group called, “American Sunrise” focuses on education for Kindergarten to 5th grade, Monday to Thursday, 3:30-6 pm. It will start Sept. 5th and all services are free.

They begin by helping the children complete homework, provide a snack or meal and then continue teaching, Reading, Writing, Math and Sciences to the children. Volunteers are needed as mentors. 1:1 time is important and they see improvement in behavior issues as well as anger management, even learn to take their own time out. Their whole mindset changes!

Many have poor parenting in their homes. Last Chance Ministries gave away back packs to help them. BTG wants also to help the community.

Verlyn asked listeners from other areas to also help. Many parents are poorly educated and maybe only one parent in the home. Average income in the Westside is \$23,900 and other areas of SA, \$45,000. Many homes do not have internet and schools use it a lot.

Website is: AmericanSunrise-SA.com and phone is 210 354 3976. Financial as well as volunteer help is needed. God Blesses you and you can bless others. There are many people from SA who have gone on to become valuable citizens and many more can with help.

There is a job need for a driver to pick up kids in a 2 mile area and some maintenance work on the property. Contact American Sunrise if interested.

Bridging the Gap – 28:00 Minutes – Saturday 1:00 p.m. & 7:30 p.m. – 09/08/18

Jimmy Robles is host with Sal Mendez, interviewer of Guest: Carlos Quijado.

Sal spoke of the coming Tri-centennial event coming to the Alamodome, Oct 6 and 7th. There have been planning meetings every other week at the Abba Christian Store at the Wonderland Mall and the next one is Sept. 18 at 9am. Everyone is invited and volunteers are needed. Info: Crusade300.com and 210 227 4451, and Facebook/Bridging the gap community. He also spoke of the upcoming Thanksgiving event in November.

Carlos is from New Jersey and recently is relocating to SA. He is from the Dominican Republic and moved to NJ as a pastor. Romans 8 says, "Those guided by the Lord are God's children." This did not happen overnight and his wife is still in NJ with their 2 ½ year old son. He was in Medical School in the DR and moved to NYC in 2005 near his sister. He began meeting with a Bible study group of people from the DR. Then he took over an existing church, "Christian Congregation Church of New Jersey". He was very happy and felt like he was in the "Promised land".

He met his wife to be in 2010 after his father died. They were friends and married about a year after that. They had no physical contact until their marriage and he kissed her for the first time.

She first wanted to come to TX. He came by himself first but didn't feel called but felt he was at a plateau in his church in NYC. The third time she came with him to Austin but felt called to SA.

Currently is looking for employment as a licensed mental health counselor. He can be contacted at: 210 350 0100. Sal repeated earlier info for any questions.

Bridging the Gap – 28:00 Minutes – Saturday 7:30 p.m. – 09/29/18

Host: Sal Mendez. He spoke of the BTG meetings at 9 am on Tuesdays twice a month.

BTG provides networks and connections and resources with 300 partners. Guest: Jim Gibson, who Sal met at a BTG meeting. His ministry is Strong Foundations Ministries. He and his wife move to SA in 1993 for a job change. As time when on he felt the need to be serving more. He found a church and served in many different ministries and focused in on Homeless ministries. His foundation was founded in 2002. He began looking for a home with 9 bedrooms and 9 bathrooms. After many tries, he found one to renovate and pay \$1000+ a month. Then he saw a sign about 2 blocks away that a former nursing home was to be given away. It's value was \$516,000. He got it and opened in February 2004.

The first family came just as it was almost ready to open and many followed. They have served 685 families so far, over 2800 people. They encourage them to find a church nearby.

Many people become homeless gradually and then have no other options. They over a changed life if the people want to embrace it. Many do and come back to the Lord. They have a better life here and in

eternity. They can have up to 16 families at a time with a 7 month goal of leaving.

They give shelter, food, clothing and resource programs including finances, parenting classes, recovery courses such as Celebrate Recovery and Narcotics anonymous. Many have hurts, habits and hang-ups. They work full time to discover jobs and go for them 5 -6 a day. Most get a job. Information: www.foundation.org, 210 641 4357 or facebook. They need people to serve, pray and give.

Ministry Matters – 28:00 minutes – Saturday 1:00 p.m. & 8:30 p.m. – 09/01/18

Randy Garcia and Guest: Joan Courtney, founder and director of Women's Prayer International.

What is it? "Sisters in Christ uniting one time a month for one hour to pray for the transformation of our city or country for Christ." She noted that every time there has been a revival, there has been prayer first! We are a church family from different churches and cultures uniting together. We pray in one accord. She has found we have lost some of that prayer over the years and the children may be confused. We believe Christ came, died, rose again for our salvation if we believe.

She began her Lighthouse of Prayer ministry over 20 years ago. They began as a small group of women praying for their neighbors. They cover 7 spheres of society. She sends out prayer topics quarterly to the groups. They each need a Prayer Guide (along with the Holy Spirit) and a home hostess. They invite other women to pray with them. Their coming event is Sept. 21, the 21st dinner event. Pastor Les Holland will be speaker. It will be at Tripoint Event center, 3233 N. St Mary and 281 at 7 pm. The theme will be western with barbeque meal. Tickets are \$40 or a table of 8, \$310. They can be bought online at WP.org or send check to WPI, 8023 Vantage Rd, Suite 200, SA 78230. Deadline is Sept 6 for purchase. Men are invited and Pastor Randy will be the speaker. Joan will cast the vision. All are invited. God always has a remnant to pray but she is seeing some division

in our prayer groups. She prays for unity. She started in 1997 when she was involved in prayer for the Billy Graham crusade. This evolved to WPI. And Lighthouse of prayer. We need to pray in our churches and reach out to others to pray. She closed in prayer for the city and spiritual revival.

Randy gave information about a coming "Carmen" concert, Oct. 12 at Fortress church. He played a skit about giving and a promotion of Adult Teen Challenge, SA. It is for men and women and number is 210 624 2075 or you can sponsor a student for \$35 a month. 210 913 4181 or TCtexas.org.

Ministry Matters – 28:00 minutes – Saturday 1:00 p.m. & 8:30 p.m. – 09/15/18

Host: Randy Garcia. Randy spoke first of seminars to help us be overcomers. "Cleansing Streams: is a 6 week period of discipleship training plus 1 day all day retreat." April Salasfar spoke of how we all have issues and are over forgiven but challenged. She described herself as having an orphan heart. She was the 15th child and her mother handed her to her sister to care for her. When she went to school she had a nanny. Christian often react with offense. Christian streams teaches how not to react. We may have guilt, shame and condemnation even when saved and the enemy gives it to us. We carry shame from abuse even when it is not our fault. We need to learn to walk upright with forgiveness in our hearts.

1John 1:9 "If we confess our sins, He is faithful and just to forgive our sins and cleanse us from unrighteousness." Many times we don't forgive ourselves.

At the seminars everything is confidential and there is prayer for God to reveal Himself to you. There are speakers, then small groups and learning to listen to God's voice. There are prayer partners and anointers. Contact: 210 523 8111 Classes begin on Wednesday, Sept 17 at 7 pm at Fortress church in room 107 and on Sunday's at 9 am. Veteran's tuition is free. Retreat follows

There was a brief ad for a Carmen concert, October 12 at Fortress church.

Ron Bracy was the next guest. He is an Air Force academy graduate. He wrote. "Walk on, From the valley of despair to the mountaintop of praise." The story is about Habakuk when God is not answering him. This was a hard time in the nation of Judah. He shows we are not exempt from trouble when we trust and follow Jesus.

He tells when his life was changed and he was in the valley of despair when his son was killed in Albania. He went through several funerals and helped his son's family and his to relocate to SA. From April to August 2005, he did "what he had to do." We should not be surprised when tragedies occur. If our faith is threatened, it is okay!

Impact Radio – 28:00 minutes – Sunday 2:30 p.m. – 09/02/18

Hosts: Mark and Veronica Lugo. Guests: Elissa Paramantas and her mom Verena. They have known Elissa since she was 12 and is now 18. She is involved with ministry with her parents.

She went to camp at 12 and felt transformed and looking for a way to serve God. There was a concert there and she felt the Holy Spirit among them. She had tears of happiness.

She had only been in a church a short while and took some classes to take care of her younger sister and became more involved in the church. She had only been involved in youth ministry and then started working in adult ministry, recording live services. She learned more and more about the equipment.

For a while, her sophomore and junior year she was in ROTC and wanted to be military but changed her mind as a Senior. She did participate in some drill team competitions. She was offered a top position and then decided not to take it in the ROTC.

She is more interested in the media and is attending school at the Art Institute and has been working with a team at church. In January of 2017

she went on a mission trip to Haiti and wants to go again. She helped the children with games and communication and language skills.

Her mom has seen her grow and her heart is growing as she becomes a mature young lady. Mark offered to help her in the future year. The Jewish Calendar is 5779, the year of new birth.

Impact Radio – 28:00 minutes – Sunday 2:30 p.m. – 09/09/18

Hosts: Mark and Veronica Lugo. They talked of last month being the time of new beginnings and asked, “What are you doing with your life?”

Guest is Chad Hayes. He is currently living in KY but spent a lot of time in SA. He will soon be moving to MN. His family is wife, Rachel and 3 sons and 1 daughter. They met at the International Bible College his senior year.

He grew up in church but rebelled his teenage years and was saved in 1996 and called to ministry in 1997. He spoke of the great teachers at the IBC. Many missionaries come from there and a lot are from SA. His wife was born in Scotland, grew up in Wales and came to US where she met him. His passion is for discipleship. He first started by building churches but found he needed to make disciples first and equip and train them.

He feels there is a generational gap in many churches—they are turning grey! There is a lack of young people in churches, especially millennials. He believes that they will be the leaders of the remnant God will always leave on earth. It is important to get young people because later on they often have other situations in life and can not leave them.

“What is the Solution?” We need to be intentional and build bridges to train, equip and empower people. Everyone is “too young” at first and make mistakes along the way. It’s how we learn. He finds people mainly at university campuses where he begins reaching out to a small group and introducing them to leadership. They do not like fake, show them the truth and reach people where they are at.

He had a hard time in KY because of the lack of young people in the church. He tries to bring out their God given talents and use them as they are available. He spoke of a coming mission conference in the third week

of January in SA. He wants churches to bring their teens. Info: at facebook/chad Hays or youtube/pastor chad hays and Instagram.

Impact Radio – 28:00 minutes – Sunday 2:30 p.m. – 09/16/18

Hosts: Veronica and Mark Lugo. They can be reached at Facebook/Mark Lugo Ministries, Instagram Mark Lugo ministries and Podcasts on Anchor, Spotify, I tunes and web site: Marklugoministies.com. Mark says, "Thank you, KDRY." They help other ministries and meet and introduce guests.

Guest: Vallerie Gonzales who has been in the Photography business for 10 years. She is married with four daughters, 3 of which she home schools. She is married for 13 years and her husband has been a big help in her "Comeback to God."

Mark asked, "How do you do it?" God gives her the strength and helps her. She works when everyone is asleep or gone. The girls do a lot of dance and she works while waiting for them. She feels blessed and knows her priorities. "1. We can't do it without God, 2. We can't do it without teamwork."

She works out regularly and wears t-shirts with Scripture on them. She has a passion for workouts since 1012. "God gives us talent and as a gift, what do we give back to him?" It is not about money and most of her business is by personal referral. She has loyal customers. She prefers to work outdoors with natural props. She does Engagements, Weddings, Birthdays, and Anniversaries. She encourages people to bring own items for the shoots.

Info: Facebook/photos by Valerie G, text is best. 210 589 9076. She wants it to be fun and different. There is a special giveaway for the first 5 people who text her, a free mini-shoot. And the first one to respond on Facebook.

Mark talked about how the disciples taught in natural settings in daily life. He has a feeling more businesses will be run by Christians and Christ will be presented outside the pulpit. Valerie closed in prayer.

Impact Radio – 28:00 minutes – Sunday 2:30 p.m. – 09/23/18

Host: Mark Lugo with his wife, Veronica as guest. They are on the air at 2:30 and 10 pm on Sunday.

Veronica is a stay at home mom, has done cosmetology in the past and taught Pre-k and K in a private Christian school. Now she home schools. Mark talked about encouraging your wife and supporting her to try things, even if they don't work. Many can learn from failures and there are lots of ways to do creative things from home. He feels at least one parent needs to be available in the home.

Her new venture is Paparazzi jewelry which she sells on line, and is on Facebook with information. She found out about it from another women at a Christian meeting. It primarily sells for \$5 for women, \$1 for kids with some other more expensive items. She uses it as a tool to reach other women. It helps them to gain confidence and God helps them to know their value. Women as well as men are created in His image. Often we allow other outlet to let us know what 'beautiful' is and let them determine our world.

She quoted a book by Lisa Bevere "Without Rival". "God created you unique and you need to quit copying others." Veronica is loud, outgoing and often prayed she was calm and meek. Then she felt lost, trying to be someone else. "Be happy how you are. God made you, don't become someone else."

She urges women to be comfortable, step out in faith, keep going even in failure. Learn from your mistakes. "Watch your words", however! She talked of the jewelry and again quoted Lisa Bevere, "Talk to yourself like someone you love. Don't let labels limit you." The jewelry line is Beto? inspired. She is on facebook with that address. Veronica closed in prayer.

Impact Radio – 28:00 minutes – Sunday 2:30 p.m. – 09/30/18

Hosts: Mark and Veronica Lugo. Guests: Victor Lucero and Nathan Rainey. They are with the CYPHER movement. It is an artistic collaboration of jazz and rap. They work with kids in different disciplines.

Victor had been dyslexic with an abusive father. He was the artist of the family and had a hard time. He was shy and felt like a slow learner. A teacher asked him to go to an afterschool tutoring program and gave him a part in a Christmas play. He was scared but a great time in his life. In 3rd grade he broke out of his shell and in 6th grade was voted best all-around student.

He lived in NM and joined a dance group. Five of them did well and went to Hollywood where some got involved in drugs. He came back to SA and was convicted not to return with them. He went to Bible school instead. He worked as a drug abuse counselor. He began mentoring kids in performance and touring. At first it was not Faith-based. Four years ago he was back in SA in full time ministry which was hard for him. He feels there is a magnet to draw kids to Jesus. As he built his team, Nathan came. He does a lot of 1:1 with the kids. He had been with Youth for Christ. He found his purpose in CYPHER. It stands for C-Character, Y-youth empowerment, P-Purpose, H-Honor, E-Expressions by visual arts and R-Respect. Many youth do not respect and even demean older people.

Kids IQ's are higher but social skills are poorer in this generation. They teach about forms of worship, and expression of themselves. Contact: Facebook or Instagram/CYPHERmmvnt. They audition one time a year. Their needs include, a van for transportation, summer camp help, money and networking. Victor is also involved in "House of Hope" for at risk kids. It will be a residency for 13-18 year olds. He works with kids of all ages and even an advanced group. He closed in prayer.

Heart For Iran – 28:00 Minutes – Saturday – 3:30 p.m. - 09/08/18

This is the story of revival in the Muslim World, mainly in Iran. There are many people coming to Christ. "Heart for Iran" radio special is asking people to donate money for Bibles for Muslims in Iran.

Todd Chapman is host on the program, on behalf of the Heart of Iran. He told stories and spoke to people involved in getting them to Muslims who have become Christian or are interested. There are none in Iran and many that are available are fake. Jesus is building his church in Iran, the fastest in the world. Bibles are illegal. But the story of redemption is getting to them in many ways, often by sneaking them in and taking a chance on arrest for owning one.

Many of the Muslims are getting disillusioned and are seeking other religions. They are exposed to modern technology so it is becoming more available to them. Todd told the story of a man who had 3 Bibles and wanted God to tell him who to give them to. He came upon 3 men doing a crossword puzzle and the word was one of the Gospels. They didn't know what that meant so he gave them each a Bible.

The program is asking for people to donate money for Bibles: \$70 for 10, \$140 for 20 and \$700 for 100 Bibles. To give: 888 354 IRAN (4726) or BiblesforIran.com. They are in Farsi. At this time there is a matching gift so all donations will be doubled. He spoke to another man who went to Iran in 2014 to ignite the hearts and help Iran get Bibles and establish churches.

There is Satellites but they are also illegal but 40% of the homes have them so it is not enforced. Iran is very connected to the rest of the world. The population is literate and they want to read actual books. There are however challenges and dangers. The churches are underground, quiet and secretive but they do have a zeal for the Gospel. Christians are followed and watched and often their family is in danger. They try to have programs to distribute Bibles and a reminder the gifts will be doubled. Many believe there is a God but not sure who He is. "Don't be afraid of Muslims." Todd added. They are receptive to other cultures. Pray for Iran and give as you are able. The Spirit of God is moving and Iranian Christians need encouraged.
