**Re: Mandatory Carriage Election
KMOH – Phoenix (Prescott) DMA**

Dear Mr. Behar:

We received KMOH's letter, postmarked September 12, 2011, electing mandatory carriage. DISH Network L.L.C. ("DISH Network") accepts your election and looks forward to continued carriage of KMOH per federal must carry regulations for the election cycle commencing January 1, 2012.

In addition, pursuant to 47 U.S.C. §338 and the amended rules of 47 C.F.R. §76.66, DISH Network looks forward to carrying KMOH's HD signal per federal must carry regulations on or before February 17, 2012, provided that you notify us of your desire to be carried in HD and you deliver a good quality HD signal to our local receive facility.

DISH Network will carry KMOH's SD signal (and its HD signal, if applicable) during the upcoming election cycle ending on December 31, 2014 so long as the station does not substantially duplicate the programming of any other station within the market and complies with all federal must carry regulations, including the delivery of a good quality signal to the local receive facility.

DISH Network reserves the right to reject those stations that fail to deliver a good quality signal. Please contact Kip Wilcoxson, Engineering Manager, at our Cheyenne, WY Uplink facility at (307) 633-5483, should you anticipate signal delivery issues.

Sincerely,

A handwritten signature in blue ink, appearing to read "Erin E. Rider".
