Re: Annual Educational and Information Programming for Children and Commercial Limits Certification - 2021

Dear Broadcast Affiliate:

HSNi, LLC (“Network”) hereby certifies that, during the calendar year 2021:

1. Network included Educational/Informational (“E/I”) programming in the nationally broadcast programming feed of HSN in the amounts and dates/times as listed on the attached document properly identified with the “E/I” symbol in accordance with 47 C.F.R. Section 73.671.
2. Network had no programming originally produced or provided for broadcast primarily for an audience of children 12 years old and under. Accordingly, none of Network’s programming constituted “children’s programming” as defined by 47 C.F.R. Sections 76.225 or 73.670, as applicable, and, therefore, such programming was not subject to the commercialization limits imposed on children’s programming.

For more information on Network’s E/I programming please contact:

Dear Affiliate:

In response to your recent request, this is to certify that HSNi, LLC (“Network”), during the calendar quarter ending March 31, 2021:

- 1) provided closed captioning services on its HSN and HSN2 services delivered to you in compliance with the applicable closed captioning regulations of the Federal Communications Commission (“FCC”).
- 2) had no programs originally produced or broadcast primarily for an audience of children 12 years old and under. Accordingly, none of Network’s programming during such quarter constituted “children’s programming” as defined by Section 73.225 or 73.670, as applicable, of the FCC’s rules, and, therefore, none were subject to the commercialization limits imposed on children’s programming (*see* 47 C.F.R., Section 76.225 or 73.670, as applicable). To the extent we should decide, in the future, to include any children’s programming on our schedule, we would comply with all pertinent FCC requirements and would, at that time, provide notice of the programming change.

Our CALM Act certification and our closed captioning standards certification are located for wide distribution at <http://www.adm.qvc.com/forms.html>.

Should you have any questions, please do not hesitate to contact me.

Sincerely,

Joseph Micucci

Dear Affiliate:

In response to your recent request, this is to certify that HSNi, LLC (“Network”), during the calendar quarter ending June 30, 2021:

- 1) provided closed captioning services on its HSN and HSN2 services delivered to you in compliance with the applicable closed captioning regulations of the Federal Communications Commission (“FCC”).
- 2) had no programs originally produced or broadcast primarily for an audience of children 12 years old and under. Accordingly, none of Network’s programming during such quarter constituted “children’s programming” as defined by Section 73.225 or 73.670, as applicable, of the FCC’s rules, and, therefore, none were subject to the commercialization limits imposed on children’s programming (*see* 47 C.F.R., Section 76.225 or 73.670, as applicable). To the extent we should decide, in the future, to include any children’s programming on our schedule, we would comply with all pertinent FCC requirements and would, at that time, provide notice of the programming change.

Our CALM Act certification and our closed captioning standards certification are located for wide distribution at <http://www.adm.qvc.com/forms.html>.

Should you have any questions, please do not hesitate to contact me.

Sincerely,

Joseph Micucci
