Dear Ms. Goldin:

We have completed our review of the response of CC Licenses, LLC, licensee of the above-noted station, to the June 10, 2014 random audit letter sent to it in accordance with the provisions of Section 73.2080(f)(4) of the Commission's Equal Employment Opportunity (EEO) rules. As a result of our review, we find that no further action is required. In accordance with Section 73.3526(e)(10), if commercial, or Section 73.3527(e)(11), if non-commercial, of the Commission's rules, the licensee must place copies of this letter, our audit letter, and the licensee's audit response in its stations' public inspection files. It must maintain these materials in the files until grant, by final order, of the next renewal application of its license for the station to which the file relates.

Should you have any questions regarding this matter, please contact the EEO Staff at (202) 418-1450. Thank you for your cooperation.

Sincerely,
