KRSS ISSUES AND PROGRAM LIST QUARTER ENDING DECEMBER 31, 2023

Each quarter of the year we place in our public inspection file a list of what we (**KRSS**, 93.5 FM, Tarkio, MO & Clarinda, IA, **KCJA**, 89.5FM, Conway, IA, and **KFOM**, 88.7 FM, Stanton, IA) have seen as the problems and/or needs of our service area (Northwest Missouri, Southwest Iowa, Southeast Nebraska and Northeast Kansas) in the preceding three months. Following you will find a list of the programs we aired that addressed those specific concerns.

The following is our list of issues and concerns for the Northwest Missouri, Southwest Iowa, Southeast Nebraska & Northeast Kansas area for the quarter ending Dec 31, 2023. Following this list are specific KRSS programs that aired in response to these issues. This report is arranged by identifying the category on the issues list, the programs that aired which gave significant treatment to that issue, along with its topic, discussion, date and time aired.

1. CHILDREN & YOUTH NEEDS / FAMILY:

Northwest Missouri, Southwest Iowa, and Southeast Nebraska and Northeast Kansas have their share of abused, missing, and runaway children. Youth feel the need to be a part of a family. They seek for that feeling in other places rather than with their own families. We hope to provide programming for parents as well as children to let them know that there is hope and help to fill those needs that will strengthen and build up rather than kill, steal and destroy their lives.

2. MARRIAGE / DATING / MEN'S & WOMEN'S ISSUES:

Northwest Missouri, Southwest Iowa, and Southeast Nebraska Northeast Kansas also has its share of marital problems and spousal abuse. We at KRSS Radio want to help in any way we can. We encourage listeners to take part in classes or support groups that can help with these issues.

3. ECONOMY:

We want to encourage the communities to make wise investments and have a good financial standing, as well as promoting economic development in the listening area of Southwest Iowa, Northwest Missouri, Southeast Nebraska and Northeast Kansas.

4. CRIME & CRIME PREVENTION:

There is so much crime, even in the rural areas. We try to keep our listening communities informed of new laws and new ways of preventing further crime.

5. LOCAL, STATE, AND NATIONAL EDUCATION:

Because of KRSS being in a rural setting, and the amount of high school, college and citywide sports, and the opportunity for educational advancement for both beginning and advanced students, we found it necessary to keep the public informed of the opportunities they have to "never stop learning."

6. TERRORISM:

With the changes that have and are taking place since 9/11 there is an interest in any subject dealing terrorism/fear and how this affects our lives. We have programming to help with what we need to know to make changes in our lives that can bring comfort and security into our lives, communities and families.

7. LOCAL COMMUNITY ACTIVITIES AND ENTERTAINMENT:

In addition to our desire to become more locally involved in our city's annual community events as well as our support for our local public schools' activities, we are broadcasting sport activities of local high schools during the football and basketball seasons.

The law is there for our own good. For example, the speed limit. The speed limit is there to protect you. So you are keeping the law if you drive the speed limit. But the disobedient get the ticket. Getting an expensive fine will help people understand that law.

Apparently the entire month of June isn't enough for the LGBTQ crowd. It's just another excuse to push their agenda into the schools to indoctrinate our children. The Los Angeles Unified School District is planning an entire week of activities for National Coming Out Day. Teachers are going to explain homosexuality to little kids.

The Biden presidency has hit a new low. It used the anniversary of the 9/11 attacks to announce a \$6 billion payoff to Iran, the world's leading sponsors of radical Islamic terrorism. We are happy that 5 American prisoners will reportedly be released as part of this deal. No doubt, their families are celebrating. But Biden just guaranteed that more innocent people will be taken hostage, and more families will suffer in the future because he's paying off terrorists.

This morning I watched a powerful interview with a young Israeli woman whose brother is currently fighting in the Israeli Defense Forces. She said we are fighting monsters...ruthless savages. This was not just an attack on Israel, but on the entire western world. The terrorists who murdered innocent Israelis are monsters.
