Re: Election of Retransmission Consent Status

Dear Sir or Madam:

Vision Communications, LLC (“Vision”), the licensee of television station WJKP-LD, Corning, New York (“WJKP”) and the sole shareholder of WYDC, Inc., the licensee of television station WYDC, Corning, New York (“WYDC” and collectively with WJKP, the “Stations”), hereby gives notice to Dish Network L.L.C., that Vision and WYDC, Inc. individually and collectively elect to assert their right to retransmission consent with respect to carriage of the broadcast signals of the Stations on all of your video distribution systems in the Corning-Elmira Nielsen Designated Market Area.

This retransmission consent election is for the period January 1, 2015 through December 31, 2017 and applies to all of the digital and analog signals for each of the Stations. We acknowledge our current retransmission consent agreement effective August 23, 2013 remains in full form and effect. This letter simply is to meet the formal retransmission consent election notification requirements of the Federal Communications Commission’s rules. We look forward to negotiating a mutually beneficial agreement for carriage.

Sincerely,

A handwritten signature in black ink, appearing to read 'Bill Christian', with a long horizontal flourish extending to the right.
