

ANNUAL CHILDREN'S COMMERCIAL LIMITS CERTIFICATION

For the period from January 1, 2022 through December 31, 2022

This certification confirms that Television Station KXTX (the "Station") has verified that during the above-referenced year, the programming streams identified below complied with the commercial limits in children's programming imposed by the FCC as follows:

Channel 39.1 Telemundo (Please check only one):

During 2022, the Network televised no programming originally produced and broadcast primarily for an audience of children 12 years old and younger, and therefore, the FCC's commercial limits requirement did not apply.

OR

During 2022, the Network televised programming originally produced and broadcast primarily for an audience of children 12 years old and younger, and that programming complied with the FCC commercial limits of 10.5 minutes per hour on weekends and 12 minutes per hour on weekdays.

Channel 39.2 TeleXitos (Please check only one):

During 2022, the Network televised no programming originally produced and broadcast primarily for an audience of children 12 years old and younger, and therefore, the FCC's commercial limits requirement did not apply.

OR

During 2022, the Network televised programming originally produced and broadcast primarily for an audience of children 12 years old and younger, and that programming complied with the FCC commercial limits of 10.5 minutes per hour on weekends and 12 minutes per hour on weekdays.

Please note any exceptions here:

N/A

I certify that the above information is true and valid as of **1.10.23**.
