**PROGRAMMING STATEMENT**

Radio station KDKA - AM, KDKA – FM HD 2 licensed to the Audacy Radio and W261AX provides a news, information and talk format to its community of license, Pittsburgh, Pennsylvania, on a continuing basis. By its nature, KDKA Radio's news, talk, information, and sports programming format deals with, and is responsive to the main issues of the greater Pittsburgh area, daily.

During the past three months, KDKA's coverage of news stories, our employee's participation in community affairs, and regular interviews with community leaders have led to the determination that the issues listed in this report are ones of importance to the Pittsburgh community. A variety of programming elements, news and business reports, commentaries, editorials, and public service announcements on matters of importance to the community are included within the services provided by KDKA Radio.

Specific examples of some of these types of programs and the principal issues to which they pay attention are set forth in this report.
