<u>Length</u>	<u>Date</u>	<u>Time</u>	<u>Category</u>	<u>Story</u>
0:19	7/1/14	11:32p	Accidents and Disasters	take a look at this, caught on camera, a food truck exploding in philadelphia. 12 people were hurt. officials believe it was a propane tank in the truck that exploded. one woman suffered second and third degrees all over her body. she and a 14-year-old girl are listed in critical condition
0:41	7/2/14	11:09p	Accidents and Disasters	she is two months pregnant and in one of the most rugged places here in southern california. her husband, a marine, was the first to report her missing on the marine base 29 palms. the search is now focused on the terrain in joshua tree national park.
0:23	7/2/14	11:18p	Accidents and Disasters	water main break in hancock park. No big damage done
0:32	7/2/14	11:18p	Accidents and Disasters	same company in charge of a fireworks show that went wrong last year will be back on Friday. simi valley fireworks
0:33	7/3/14	11:08p	Accidents and Disasters	the search for a marines pregnant wife five days missing and still no sign of 19-year-old erin corwin. now her family is asking for the publics help. she was last seen last leaving her home at 29 palms on saturday as she was heading out to joshua tree. 21-year-old corporal jonathan corwin reported his wife missing sunday. the car was found the next day in 29 palms. investigators are calling the case suspicious but there is no indication of foul play.
0:21	7/4/14	11:17p	Accidents and Disasters	a grass fire in sacramento forced people to leave a fourth of july party early. people were enjoying the fourth, and it got so bad the area had to be evacuated. the fire spread from tree top to tree top. no structures were damaged and no injuries
0:18	7/4/14	11:17p	Accidents and Disasters	in san diego, firefighters say a wildfire near the town julian is now 70% contained. the fire burned 217 acres, destroyed two homes, but threatened nearly 200 homes at one time.
2:31	7/7/14	11:00p	Accidents and Disasters	a popular ride at magic mountain goes off the fails. the mag-function lasted about three hours. >>> dozens trapped, some hurt while they waited to be rescued. the operation to get people off the ninja was complicated. the riders dangled 40 feet above the ground. nbc 4s jane yamamoto live in valencia. she was there when those riders were finally brought down.
1:07	7/7/14	11:03p	Accidents and Disasters	the shutdown of the 605 freeway in lakewood when a person is hit on the freeway. well go up now to alex calder in news chopper 4. what do you know about what happened here? >> first off ill tell you the cars youre watching here are actually making their way up the on-ramp, coming off the freeway. theyre using the on-ramp to get off onto carson street exit right there, or entrance. this is all as a result of a pedestrian being struck on the freeway about an hour or so ago
0:44	7/7/14	11:06p	Accidents and Disasters	a lifeguard who drowned trying to save a swimmer is being called a hero tonight. he is the first lifeguard from newport beach to die in the line of duty. funeral arrangements have yet to be made for 32-year-old ben carlson. he died yesterday after diving off a rescue boat to help a swimmer in distress. almost as soon as he reached the struggling swimmer, both men were hit by a ten to 12-foot wave. the same kind of wave he had warned about on his instagram account just a few days before his death
0:36	7/7/14	11:17p	Accidents and Disasters	officers say an 85-year-old woman crashed into a couple of stores around lunchtime today in la myrrh rata. the woman hit the gas instead of the brake. the car accelerated first into a check into cash business, then into a foot spa. a man was pinned against the wall there. this is what a witness told us
1:21	7/8/14	11:00p	Accidents and Disasters	>>> breaking news, a toddler investigators are on scene and trying to figure out exactly what happened.

<u>Length</u>	<u>Date</u>	<u>Time</u>	<u>Category</u>	<u>Story</u>
0:30	7/8/14	11:05p	Accidents and Disasters	happening right now, dwp is trying to manage an underground sinkhole. first responders found a huge cavern under this man-sized hole. a sewer line apparently collapsed. officials estimate the hole is 15 feet at this point. they are trying to make sure the cement above will not fall through. the street will stay shut down until they can make sure the street is safe.
0:25	7/8/14	11:09p	Accidents and Disasters	we have now learned that it was an entire tree, not just a fell onto the track. four people were hurt, but they're going to be okay. dozens of riders were left hanging for hours. and the ride is going to stay closed until investigators figure out exactly what went wrong
0:30	7/8/14	11:14p	Accidents and Disasters	an off-duty officer saves a 4-year-old boy after a family pit bull attacks him. two officers heard the boys mother screaming. they ran to the fontana home while the pit bull was mauling the child. an officer shot and killed the dog. the boy lost his left hand and his right ear, but he is expected to survive. we have learned that the pit bull was not neutered. and thats against the law in fontana. it is still not clear if charges will be filed.
2:15	7/9/14	11:00p	Accidents and Disasters	>> a riptide tragedy. a teenager killed at a popular swimming spot. tonight, his friends share the moments seconds before he was swept away. we watched during 5:00 and 6:00 today while the lifeguards searched the waters with no sign of this recent high school graduate.
1:59	7/10/14	11:03p	Accidents and Disasters	Heartache for a family and friends of 18-year-old joseph sanchez, the young swimmer swept away off the coast yesterday. tonight nbc 4s beverly white is in his long beach neighborhood and talks to the young men who are with joseph sanchez when he disappeared
0:25	7/10/14	11:06p	Accidents and Disasters	new details tonight in the search for a missing pregnant woman from 29 palms. san bernardino sheriffs deputies tell us they are narrowing their search to joshua tree national park. she is married to a marine, was last seen leaving her home near the marine base in 29 palms. deputies have not said why theyre narrowing their search. they do say the search does not include the base
0:36	7/10/14	11:17p	Accidents and Disasters	a 17-year-old tennis player is fighting for her life tonight after collapsing during a workout. morgan wilson was rushed to uc irvine medical center tuesday where she suffered a heart attack during a training session. shes listed in critical condition, in a medically induced coma, her friends and family constantly by her side
2:06	7/11/14	11:00p	Accidents and Disasters	>>> breaking details right now. a high school student in critical condition after hitting a freeway overpass while on board a double-decker tour bus. tonight at the hospital theres no comment from the medical professionals inside regarding the teenaged tour bus passenger who, as you indicated, arrived here last evening in critical condition following the incident where he slammed his head on to a freeway overpass sign on the 405 freeway. we have video of that location where the impact occurred. we captured these image this is evening where the chp confirms the impact took place on the southbound 405
0:44	7/11/14	11:09p	Accidents and Disasters	still so no sign of the 18-year-old who was swept away in the waters of rancho palace verde this week and now high tides could make that more difficult. joseph sanchez vanished in the waves on wednesday and for the first time, underwater cameras shows us where those divers are searching and what they are up against. high tide is expected to last through tomorrow night and sanchezs mother says its nothing to play with

<u>Length</u>	<u>Date</u>	<u>Time</u>	<u>Category</u>	<u>Story</u>
0:32	7/14/14	11:07p	Accidents and Disasters	a close call in cyprus. a police officer nearly hits a woman who collapses in the middle of a busy street. you saw it just there. officer juan robes was rushing to help assist another officer with a dui when he spotted the woman in the road. she apparently had suffered a medical emergency, became disoriented, and fell on cerritos boulevard. robes avoided hitting that woman. the incident happened on july fourth but the video just surfaced today.
0:41	7/14/14	11:08p	Accidents and Disasters	tonight were hearing from friends of the teenager who was killed when he hit his head on an overpass riding on a double decker bus. the group was in a chartered star line bus similar to this one here to celebrate a friends 16th birthday. they tell us there were no safety instructions. friends next to the teenager tell us what happened just moments before the accident.
1:59	7/16/14	11:03p	Accidents and Disasters	high school basketball star is on life support tonight ever a freak skateboarding accident. we are live this evening at the high school. where we talked to the victims families and friends. john?
0:45	7/16/14	11:18p	Accidents and Disasters	and a 12-year-old girl from pennsylvania has the story to tell. she was swept away by high waters during a flash flood. taylor ruffle and her friends were standing in an open drain pipe on monday. she fell through, and got sucked in to had. she was carried hundreds on of feet underground, then swept another half mile down a creek
0:29	7/18/14	11:06p	Accidents and Disasters	>>> a plane went down in rancho cucamonga and they say it stalled and crashed in a field during a solo trip five hours ago. witnesses heard what they call a quote thunk and ran to help. they saw gas leaking and pulled the pilot out by his belt loops. he is in intensive care this evening. no word on what caused the crash.
0:26	7/21/14	11:14p	Accidents and Disasters	breaking news now from santa ana, the hazmat team is getting ready to go inside a gas filled apartment. this is where a body was found. now, first responders tell us that the gas came from a specific apartment in that building, and they say, the body is in that apartment, but right now, they cannot confirm how the person died.
0:45	7/21/14	11:15p	Accidents and Disasters	firefighters continue to battle the largest wild fire on record, its a massive fire that burned across 379 square miles. to give you an idea of course that is about four times the size of seattle. the carlton fire has already destroyed 200 homes. its only 2% contained tonight. it started actually, as four separate fires and then it merged in to one huge fire. the los angeles county fire department is sending some specialized assistance to the 3,500 firefighters working the blaze, assistant fire chief, and two advisers are headed north. he has decades of experience in managing out of control wildfires like this one
0:59	7/22/14	11:16p	Accidents and Disasters	flames shot into the sky at a los angeles magnet high school was dismantled. the supervisor said they are already working on a contingency plan to find space for classes when school begins in three weeks. some workers were inside the building around 2:30 when the fire began. they got out okay. three firefighters had some minor injuries
0:23	7/23/14	11:07p	Accidents and Disasters	neighbors tried but were not able to save a bed ridden woman from a fire. smoke was seen coming from the condo just after 6:00 on. a man tried the to break down the door, but by the time the firefighters got there, she was dead. they believe the fire was caused by the womans cigarette

<u>Length</u>	<u>Date</u>	<u>Time</u>	<u>Category</u>	<u>Story</u>
1:31	7/23/14	11:13p	Accidents and Disasters	another story here, search continues off of american samoa, who a man was trying to be the youngest man to fly around the world in a single engine plan. >> we dont know what happened with the plane
0:26	7/24/14	11:06p	Accidents and Disasters	happening now, i hope you werent in this one, a late night traffic jam in the freeway, all but one of the westbound lanes is closed in grenada hills because of a deadly crash near balboa boulevard. at least one person was killed
1:24	7/25/14	11:00p	Accidents and Disasters	the happiest place on earth tonight became one of the scariest for people riding within of disneys signature rides. people had to be escorted off the ride after a mechanical issue there
0:29	7/25/14	11:09p	Accidents and Disasters	growing brush fire near sacramento is forcing people to evacuate their homes tonight. this fire is burning near the sand ridge road just off highway 49. more than 1300 acres have burned so far. one structure has been destroyed. the rugged terrain up there is making it extremely tough for fire crews to get in to fight those flames. now, to give you an idea of just how dry it is, officials believe a vehicle fire may have spread to a nearby vegetation area, and thats what started the fire
2:21	7/28/14	11:00p	Accidents and Disasters	the family of that 20-year-old college student killed after a lightning strike on venice beach is speaking out tonight. the family is telling us nick wasnt swimming when this lightning struck. he was basically finished for the day at the beach, so he went back into the water to clean off the sand. they still cant believe what happened next
0:32	7/28/14	11:09p	Accidents and Disasters	a hiker had to be rescued after falling down a cliff in the angeles national forest. first responders were called to the hills above sierra madre around 6:00. witnesses say the man in his 20s fell about 30 feet and is grateful to be safe. >> the victim was flown to huntington memorial hospital with head injuries in stable condition.
2:51	7/29/14	11:00p	Accidents and Disasters	a massive water main break. millions of gallons gush across sunset. cars are destroyed and people stranded. and the historic pavilion trashed. right now, youre looking live at that crater left behind by the massive flooding out there today. crews are now working, and they will be going into the overnight hours
2:09	7/29/14	11:03p	Accidents and Disasters	nbc 4 was the only crew to be inside one of the parking garages when the water was cascading down the steps. it looked like a waterfall at first. during the worst of the flooding. we continue our live coverage right now
2:05	7/29/14	11:05p	Accidents and Disasters	outside and inside uclas historic pavilion is a complete mess. the complex is where some of the most serious damage occurred today. we go back inside tonight to get a look at the impact on ucla sports. >> reporter: as you can see theres a lot of crews here. theyll be here well into the night and into tomorrow morning. they have made a lot of progress. but there is still so much to do
0:34	7/29/14	11:07p	Accidents and Disasters	so, just how big was the water main break tonight? we created this graphic to give you a better idea. the l.a. fire department estimates the water was shooting between 25 feet and 30 feet into the air. thats almost as high as you can see, the hollywood sign. as for the water itself, we mentioned dwp estimated at least 10 million gallons, 10 million, now, spilled out before everything was shut off. just to give you perspective on that. the average bathtub holds about 50 gallons. so, 200,000 bathtubs full of water

<u>Length</u>	<u>Date</u>	<u>Time</u>	<u>Category</u>	<u>Story</u>
0:50	7/29/14	11:14p	Accidents and Disasters	fire at a south los angeles home packed and cluttered with trash, left one man dead and one injured. and the man was a relative of jackie robinson. we brought you the story live at noon today from the 1300 block of west 35th place in los angeles. firefighters say this hoarding incident got way out of control. made it difficult for neighbors to help the 90-year-old man inside. we have since learned that the victim was the brother-in-law of baseball legend jackie robinson, and a man much loved in his community.
0:19	7/29/14	11:33p	Accidents and Disasters	>>> pretty dramatic pictures here. fire trucks on campus. water pooling on the track there. and the flooded basketball court at pauley pavilion. weve created a gallery of the best. search flooding
0:30	7/29/14	11:33p	Accidents and Disasters	crews are working nonstop throughout the night to repair the water main break on sunset. the l.a. dwp says it hopes to finish repairs late tomorrow. but the problem is the road itself. it will take some time before sunset reopens if the crews discover more erosion under the road. treat the area like a carmageddon
0:13	7/29/14	11:34p	Accidents and Disasters	scenes from the water main break at ucla
2:07	7/30/14	11:06p	Accidents and Disasters	and tonight a tragic reminder about kids in hot cars. a toddler was found dead inside a vehicle and we now know what the parents were doing at the time. kate larsen live, and we continue to hear about these hot car deaths and young children
0:28	7/30/14	11:08p	Accidents and Disasters	now to the water main break. the valve, the one that controls the flow of water has finally been closed, and this is what it looked like tonight. now that the water has stopped crews can start street repairs on sunset boulevard. and thats going to take some time. that stretch is going to remain closed until friday night at the earliest. today the dwp admitted that nor than 20 million-gallons of water were lost yesterday.
0:21	7/30/14	11:08p	Accidents and Disasters	and two workers were hospitalized after they were exposed to exhaust fumes from a generator. they were pumping water out of the building. the two are in fair condition
0:44	7/30/14	11:09p	Accidents and Disasters	we do have good news for students, professors and visitors about the cars stuck in parking garages there. gotti schwartz was there where an estimated 900 cars are believed to be stuck. the water still too high on the bottom level, but gotti managed to count 650 cars that had no damage at all. meaning those cars had watermarks no higher than the tires. gotti let one student know that her car was okay
0:51	7/30/14	11:14p	Accidents and Disasters	tonight, for the first time, the parents of a yuck man who was killed in a rare lightning strike at venice beach talk about their son. he was killed last sunday when he went into the ocean one last time before heading home. thats when he was hit by lightning, nick, a pitcher at notre dame high school, his father said the two would play catch every day
1:59	7/30/14	11:14p	Accidents and Disasters	new tonight in san diego, a small plane crashed into a crowded shopping center parking lot. the passenger is dead. the pilot seriously hurt, and witnesses say it could have been a whole lot worse
0:23	7/30/14	11:33p	Accidents and Disasters	meanwhile, hundreds of people are wondering how theyre going to pay for the repairs of their cars damaged in the ucla water break. they suggest contacting your own insurance first then filing a claim with the uwp. go to our website and search claim.

<u>Length</u>	<u>Date</u>	<u>Time</u>	<u>Category</u>	<u>Story</u>
0:24	7/31/14	11:05p	Accidents and Disasters	the dwp is just about ready to replace the ruptured pipes after the water main break that flooded ucla. the one new that will replace the repairs are expected to continue through friday and perhaps even into early saturday. road trues will have to come in to fill in and repaving the section.
0:49	7/31/14	11:06p	Accidents and Disasters	another big part will be getting the vehicles out of two flooded underground parking garages on campus. thats a process that got started a few hours ago. 267 vehicles are going to be towed out of an undamaged section of parking structure number four. once they are out of the parking structure, they go to parking lot 36 where owners can pick them up tomorrow morning
0:36	7/31/14	11:07p	Accidents and Disasters	university of california president janet napolitano said its too early to put a price tag on the damage done at ucla, but for the first time she told us she now has a good idea of who should pay for it.
0:28	8/1/14	11:07p	Accidents and Disasters	welding continues. they put in a new 36-inch pipe. they expect to reopen on monday. our cameras were there and cars were removed on campus. ucla confirm that is the floor of the famed pauley pavilion has to be replaced
0:20	8/1/14	11:07p	Accidents and Disasters	its the first friday night in venice. lots of food trucks enjoy music and shopping and things got too hot when one of the food trucks caught on fire. we are told the deep fat fryer in the kitchen started the blaze and no one was hurt. >>
1:58	8/4/14	11:03p	Accidents and Disasters	were learning more tonight about the near-drowning at a hollywood motel. a woman and two children were rescued by an unidentified man but they are in grave condition right now. nbc 4s beverly white is live in hollywood with the message the l.a. fire department wants you to hear.
0:17	8/4/14	11:05p	Accidents and Disasters	at least three people were seriously injured tonight in an accident involving an ambulance in garden grove. it happened around 7:00 at beach and gar convenient grove boulevard. the ambulance and car collided leaving both vehicles badly damaged. its not clear if the ambulance was on call at the time of the crash
0:17	8/5/14	11:07p	Accidents and Disasters	two water main breaks in to torrence. and water cruise arent sure if there is a sinkhole under that gusher. the other break, a smaller one on hawthorne boulevard.
0:28	8/5/14	11:07p	Accidents and Disasters	most cant be driven away. had to be a shocking and depressing sight for these owners. all of the vehicles were on the lower levels of two parking structures when the water came rushing in after the water main break. most of the vehicles will be totaled
0:32	8/5/14	11:08p	Accidents and Disasters	firefighters say the most serious start of a bus crash, was the light pole that came down here. this happened around noon today. people were injured. all but one were pedestrians. witnesses say that a red gray line bus was going too fast through an intersection. it jumped a curb and ran into another tour bus. a lot of people were in the area, waiting to buy Broadway tickets. none of the injuries were told are life-threatening
0:30	8/6/14	11:09p	Accidents and Disasters	the family of an lapd detective killed when a runaway cement truck slammed into the back of his car is suing the city of beverly hills. an attorney for the family filed a suit against the cement company too. three months ago detective allen was killed in that crash.

<u>Length</u>	<u>Date</u>	<u>Time</u>	<u>Category</u>	<u>Story</u>
0:31	8/11/14	11:15p	Accidents and Disasters	a couple of weeks ago we saw the same thing in the same general area in pass tina. its happened again. the 210 freeway in pasadena and a big rig that crosses traffic and into the concrete center divider, shutting down traffic there for hours. in fact, this was the scene that news chopper 4 found over the westbound lanes of the 210 freeway this afternoon. the freeway did not fully reopen until just three hours ago. at least one other vehicle was involved in this collision. one person was injured and taken to the hospital
0:24	8/13/14	11:05p	Accidents and Disasters	.we have breaking news. a deadly crash on pacific coast highway, a child killed and four others in the same car were injured. the driver lost control, crashed in to a tree and flipped over. the driver was arrested before they took her to the hospital
0:24	8/13/14	11:05p	Accidents and Disasters	a power pole went through the car, but how it happened is still sketchy at this point. we know it happened around : tonight. two people were hospitalized. we are told they are going to be okay and a third was taken to a trauma center.
0:42	8/13/14	11:15p	Accidents and Disasters	a boy saved after a near drowning. jose perez fell in the deep end and was underwater for several minutes. fortunately a good samaritan jumped in and pulled him out and started cpr
0:25	8/14/14	11:08p	Accidents and Disasters	new details on the pilot on the 60 freeway. we know the identity of a little girl who was killed. its 5-year-old madeline sales. this triggered the chain reaction crash. nine big rigs were involved.
0:17	8/15/14	11:05p	Accidents and Disasters	thick smoke and flames tonight. this was the scene shortly before 8:00 as the fire raced through a warehouse. investigations are working to determine how it started. no one was injured
0:41	8/18/14	11:07p	Accidents and Disasters	a 1-month-old baby and 5-year-old boy were among the ten injured when a driver smashed his suv into little sei seeds sars in a shopping center on van news boulevard. the 5-year-old boy suffered critical head injuries. the other injuries are said to be minor. people inside the pizza restaurant were shaken up.>> very scared. because i see bleeding. everybody, the blood, the mothers with the little girls. a big cut in the leg. >> reporter: the driver of the suv was not hurt. its unclear why they lost control
0:24	8/18/14	11:08p	Accidents and Disasters	happening right now, widespread evacuations because of a brush fire near yosemite national park. more than 1,500 residents and hotel guests have been asked to seek shelter. that fire has burned about 200 achers but so far no reports of any injuries or damage there
0:20	8/18/14	11:08p	Accidents and Disasters	we have an update from firefighters battling the tecalate fire north of glendora. 400 acres have burned so far but it is 60% contained. not threatening any homes at this point. highway 39 though is still closed north of east fork road
0:42	8/19/14	11:16p	Accidents and Disasters	firefighters are making progress in the junction fire located near yosemite park. but, apparently, 500 homes are still in the path of the fire. crews contained about 30% of the fire. some of the more than 1500 residents who were evacuated are heading home tonight. others are still waiting it out in the shelter
1:56	8/22/14	11:04p	Accidents and Disasters	meantime, two people are dead following a terrible accident. police tell us it may be tied to street racing, and they are looking for another car and driver out there. kate larsen is live right now where police are still on scene investigating the accident that happened about three and a half hours ago

<u>Length</u>	<u>Date</u>	<u>Time</u>	<u>Category</u>	<u>Story</u>
0:34	8/22/14	11:16p	Accidents and Disasters	the brush fire is out near the sepulveda basin rec area. you can see it all over the valley. we showed you these large plumes of smoke today during our 5:00 news. the chp closed down burbank boulevard which is a major thoroughfare out there. and several off ramps from the 405 were shut down also. the fire did not threaten any structures, and no one was hurt
0:19	8/22/14	11:32p	Accidents and Disasters	a large sign fell on a man and penned him at a gas station. news chopper 4 was over the station. we dont know exactly how or why it happened. the sign fell on the guy, and he was successfully airlifted to a trauma center. no word on how hes doing tonight, however
1:56	8/25/14	11:07p	Accidents and Disasters	in fact, right now, 49 buildings are red tagged. that means no one allowed inside. 100 are yellow tagged. its one of 12 earthquake debris places set up throughout the city of napa right now. you can see people are taking advantage of this. we have watched dozens of cars, scores of pickup trucks come in and unload their damaged belongings. we have seen so many television sets dropped off, literally hundreds of them
1:44	8/25/14	11:09p	Accidents and Disasters	and neither are the faithful in a community southeast of here. thats where a nearly centuries-old church is in danger of collapse. the big concern here tonight was the risk that loose bricks at the top of that bell tower would come down suddenly on the road or sidewalk. so tonight, crews did it on purpose. tonight, brick by brick, the worker in the cherry picker dismantled the quake-loosened brick parapet power above vallejos first baptist church
0:20	8/25/14	11:11p	Accidents and Disasters	now we are on the property of napa union high school, the napa unified school district has canceled classes again for tomorrow. thats really a good thing. when you look around at all this debris here, this is going to take some time to clean up
0:27	8/26/14	11:09p	Accidents and Disasters	we are getting a better picture of the extent of the damage and just how hard napa was hit in sundays 6.0 earthquake. the city manager said they still have up to 121 water main breaks. more than double the original estimate. some of the 70 red-tagged homes have been downgraded to yellow, which means they could be saved. still, the ground continues to shake there. a 3.9, the strongest aftershock, hit there this morning
0:43	8/27/14	11:13p	Accidents and Disasters	tonight crew members in santa monica mourn the loss of a worker who was on the ride with the omaha police department when he was caught in the cross fire and accidentally shot by the officers. bryce deion of santa monica worked as a sound tech on "cops" the show for seven years. last night while filming an episode police opened fire on a robbery suspect. even though he was wearing a vest, deion was hit in an unprotected area under his arm.
1:51	8/28/14	11:00p	Accidents and Disasters	it all started on the third floor of an apartment complex. we spoke with the assistant chief and he told us what we have been hearing from neighbors. that two people have been confirmed dead and at this moment, we have seen other crews down the alley going through the apartment making sure there no other people that may be hurt inside of that apartment complex

0:41	7/23/14	11:03p	transportation	we have breaking news involving u.s. airlines, despite the air strikes that are conditioning in the west bank and israel temperature faa lifted the ban on u.s. airline flying in to tel aviv. it was set to take off in the hour and secretary of state john kerry who is now in cairo, egypt said that progress has been made toward a cease fire. however the leader of hama does not agree. many civilians have been killed and 34 israelis have died since the strikes started
0:31	7/23/14	11:33p	transportation	a tweet landed a passenger in trouble. it got he and his family booted from the flight. he tweeted a comment about a rude ticket agent. was not long before the family was asked to get off the plane and agent threatened to not let them get on the plane approximate if they did not delete the tweet. the family was given travel vouchers
0:31	7/24/14	11:33p	transportation	the california highway patrol has removed safety guidelines for lane splitting from its website. when a motorcycle zips between lanes of traffic on the freeway, it happens all the time. it is not illegal, but the highway patrol raised a few eyebrows last year when they posted how to do it safely on their website. chp took the guidelines down saying they would be misinterpreted as enforceable laws
1:35	7/25/14	11:04p	transportation	along with the heat and fritz is going to tell you more about that in a moment, a major source of frustration for drivers this weekend will be the century crush. starting tonight, century boulevard is closed at aviation until monday morning that will impact just about anyone whos coming or going from the airport. century boulevard is closed so crews there can demolish an old railroad bridge to make way for a new light rail station
1:25	7/29/14	11:08p	transportation	sunset boulevard is shut down in both directions between hill guard and veteran. and crews work overnight to repair the flow and to repair the sinkhole out there. kate is live in west wood right now, working to drain some of the water. what will this do for commuters tomorrow morning? what can they expect?
2:11	8/1/14	11:13p	transportation	chances are there something like this on your street. confusing parking signs stacked with different rules. imagine the frustration after doing everything right. you get nabbed anyway. is this a ticket trap. an nbc viewer is coming to us after waking up to an expensive surprise. watch what happens when we park there. we have answers for you.
0:24	8/4/14	11:09p	transportation	commuters no longer have to deal with detours around sunset boulevard. the busy road is back opened. this comes five days after the massive water main break but sunset will be closed overnight friday and saturday for final repairs. most of the 340 or so cars damaged in the ucla garages by the flooding will not be returned to their owners. adjusters will be on campus this week to help file claims
0:23	8/4/14	11:32p	transportation	>>> a cyber security expert trying to stay one step ahead of hackers has made a disturbing find. researchers say hes figured out how to hack the satellite communications equipment on passenger jets through their wi-fi and in-flight entertainment systems. manufacturers say the risk of break-ins is very small. but the experts say there are simple steps to make these systems more secure

<u>Length</u>	<u>Date</u>	<u>Time</u>	<u>Category</u>	<u>Story</u>
2:07	8/5/14	11:00p	transportation	nbc exposes an alarming airport security breach. at center of it all, this woman. that woman that were talking about is a repeat offender. we've been getting answers about how she could slip past tsa agents and get on a flight without a boarding pass. she breached airport security several times. and now, shes done it again. at san jose international airport, marilyn hartman navigated her way without tsa checks. and without a ticket, she got on a southwest flight to los angeles
0:14	8/6/14	11:17p	transportation	no delays at lax because of weather
0:15	8/7/14	11:02p	transportation	taking a look at traffic going into lax tonight, although transportation officials in hawaii plan to keep the airports open during the severe weather, as the hurricane gets closer some flights will be canceled
0:39	8/8/14	11:04p	transportation	lane closures in effect on the 15 freeway through the cajon pass. construction began an hour ago and crews are repairing are replacing a five-mile stretch between kenwood and oakhill and that means slow-going to vegas with one northbound lane closed during the day and two at night and this will take place over the next four weekends except for labor day forcing many folks to change their plans.>>
0:18	8/18/14	11:14p	transportation	the faa is restricting all flights into, out of, and over syria because of security concerns for the conflict in that country. the faa had previously advised carriers against such flights and required notification before operating in that air space. the faa says it didnt get any requests.>>>
0:29	8/19/14	11:33p	transportation	lawmakers have just given the okay for some of them to drive solo in the car pool lane. the state said it approved a bill allowing another 15,000 fuel efficient cars to use the car pool lane with only one occupant. the current law applies to hybrid, plug-in vehicles and will increase the number of green h.o.v. stickers from 55,000 to 70,000. this bill now goes before governor brown.
0:22	8/21/14	11:09p	transportation	a large number of drivers are very confused about the new toll collection system in orange county. the four toll roads in the county switched to electric collections, and drivers are racking up more than 17,000 violations every day. the people that run the toll are roads are trying help by hiring more customer service agents
4:39	8/25/14	11:14p	transportation	>>> these people are getting a pretty good workout along one of l.a.s most challenging hiking spots. they must be in fairly good shape, right? what might surprise you is that some of these people, fit as they seem, are illegally using disabled placards just to get free and easy parking spots. and making it difficult for you to find a place to cart. >> on video perhaps the most outrageous examples ever of parking cheaters
0:27	9/1/14	11:06p	transportation	tonight were getting our first look at cracks in the windshield of an american airlines boeing 757 about 20 minutes into a flight from los angeles to dallas. the picture was taken by a passenger after the plane returned to l.a.x. reserve the pilot said in all his years of flying hes never seen anything like it. cracks like this are extremely rare. the first thing a pilot has to do is get the plane to a safe altitude and land as soon as possible. thats exactly what they did
0:24	9/1/14	11:33p	transportation	drivers who check their phones or text in traffic could be caught by their own vehicle. general motors is now working on vehicles that will detect distracted drivers. theyll use eye-head tracking technology to measure the rotation of your head if youre behind the wheel. i know, its crazy. it will sound an alert in the car if youre not spending enough time looking at the road.

<u>Length</u>	<u>Date</u>	<u>Time</u>	<u>Category</u>	<u>Story</u>
0:33	9/2/14	11:14p	transportation	for the third time in two weeks, a fight over leg room forced a plane to divert. this summer, a delta flight on its way to west palm beach. it was forced to land in jacksonville. >> this woman sitting next to me, knitting, tried reclining her seat back. the woman behind her started screaming and swearing. and a flight attendant came over and that exacerbated what was going on. she demanded that the flight land.
0:17	9/2/14	11:15p	transportation	now, theres a website gaining popularity that will help you sit back and relax and avoid that big battle over leg room. its called seat guru. and it compares the seat width among airlines. and it looks at seat sizes
0:36	9/3/14	11:09p	transportation	this story has had people talking for days. the man that used that seat locking device and had to be diverted is speaking out now about the incident. he says he feels terrible about it
0:17	9/8/14	11:18p	transportation	and if you are think of driving to las vegas think again. the main route to las vegas is shut down in both directions tonight. the aftermath of tropical storm norbert reached as far as southern nevada. parts of the interstate washed away and animals stranded in all the flooding
0:25	9/17/14	11:16p	transportation	new tonight, if you got a ticket in the mail for driving on a toll lane on the freeway last month you may not have to pay it. thousands of drivers were diverted on the toll lanes after a gun battle on the th of august. and they were all fined. obviously that should not have happened and all the fines that day will be cancelled
0:23	9/17/14	11:34p	transportation	passenger shaming. Pictures of airplane passangers
0:12	9/18/14	11:07p	transportation	live right now, this is a picture of l.a.x. we just checked. only three flights coming into the airport tonight are delayed by about an hour. they should all take off, we understand, by midnight.
0:48	9/22/14	11:08p	transportation	we talk to a passenger on a flight that was diverted to omaha. he says it wasnt just a medical incident. this is footage from that flight which was headed to l.a.x. but diverted after virgin america says there was a person with a medical emergency. a passenger says he was directly in front of that passenger who was visibly sweating with a hospital bracelet. the man tried to open the rear door
0:24	9/23/14	11:32p	transportation	an airline well known for its fees is raising one of them. spirit airlines is upping its checked bag fee during the christmas and new years travel period. typically the fee is \$30 if you pay before and 100 at the gate. but from september 18th to january 5, they will raise it \$2
0:26	9/25/14	11:08p	transportation	a freeway closure to tell you about. caltrans is shutting down a section of the heavily traveled i-5 in both directions near la mirada this weekend. its the section between carmenita road and valley view.
0:55	9/26/14	11:09p	transportation	heres a picture at l.a.x. people were talking about this story. three red eye flights are scheduled to depart for chicago on time but that is something they couldnt have done this morning. flights to and from chicago were halted when a man deliberately set fire to the air traffic control center in aurora
0:21	9/29/14	11:09p	transportation	chicagos two busiest airports returning to normal but there are still significant delays there. were seeing the issues because of fridays arson fire at an air traffic control center just outside of chicago. we checked on flights coming into l.a.x. and tonight every flight is delayed or cancelled.
