## **PEOPLE'S COURT**

**MONDAY – FRIDAY 1:00PM TO 2:00PM & 12:00AM TO 1:00AM**

The honorable Judge Marilyn Milian returns to celebrate a decade of dockets on the courtroom series that launched the entire court show genre. Milian continues to render verdicts and dispense legal insight in the courtroom where justice and reality collide.

"The People's Court," draws on ordinary people who have filed grievances in civil court and have opted to have their cases heard and mediated by Judge Milian. An experienced team of researchers continually canvas courts across the country in search of the most compelling, unique and thought-provoking cases. Running the gamut from disputes between neighbors and family members, to dissatisfied customers suing businesses, Milian's decisions – based on current law – are final and binding. "These cases are never about the money, they're about principle," Milian proclaims. "The People's Court" has been delivering reality television to viewers for over two decades.

Judge Marilyn Milian brings over 19 years of legal experience to the bench. Milian was appointed to the Miami Circuit Court in 1999 by Governor Jeb Bush, where she served in the Criminal Division. Prior to that, she spent five years in the Miami County Court in the Domestic Violence, Criminal and Civil divisions. She was appointed to the County Court by then-Governor Lawton Chiles. Before serving in the County Court, Milian worked for 10 years as an Assistant State Attorney for the Dade County State Attorney's Office, personally hired by Janet Reno.

Harvey Levin serves as the series' host and legal reporter. In addition to introducing the cases to viewers, Levin literally takes "The People's Court" to the people by polling viewers who watch the cases via monitor. These viewers' spirited comments and debates regarding the cases and Milian's decisions are then incorporated into the show. An attorney and law professor, Levin also examines and explains the legal issues and precedents introduced in the cases.

In-court reporter Curt Chaplin and court officer Douglas McIntosh assist Judge Milian in the courtroom. Chaplin interviews litigants after a decision has been rendered in their cases. As court officer, McIntosh helps Milian in maintaining courtroom order, as well as acting as an intermediary between the Judge and the litigants.

4/03/17	<p>Alabama lawmakers return from spring break Tuesday to a full plate of issues and they don't have much time to debate as they're in the last half of the 2017 session. State budgets, prison construction and proposed impeachment of Governor Robert Bentley are among the top priorities before the session ends in late May. Political Analyst Steve Flowers says the biggest issue he sees right now is the possible impeachment of the Governor. He's thinking it might take of a majority of the time left. His council's got a valid argument in that they haven't been given due process. They've been thrown into this, quagmire of impeachment. And the house judiciary committee and the house of representatives and legislature is not the right venue to decide whether they remove Bentley from office.</p> <p>Those are just a few highlights. Flowers also says there are numerous budget and local bills that need to be approved in this last half of the session.</p>	<p>Legal Resources Local Civic Affairs</p>

Dean Heller / -R- Nevada: "The biggest lie in healthcare in the last 10 years was if you elect your doctor you can keep them. the second biggest lie is that your premium is going down and there isn't anything in this piece of legislation that will lower your premiums." Price countered that argument by saying the bill is only one part of Republicans' broader health care plan. Tom Price / HHS Secretary: "The plan in its entirety will absolutely bring premiums down because you increase competition, you increase choices for individuals, you allow folks to be able to purchase the kind of coverage they want, not that the government forces them to buy." Senate Republicans cannot afford to lose support from more than two of their members, if the bill is to pass. the vote may happen as early as this week.</p>	<p>Health Issues</p>

### **CENTRAL ALABAMA CRIMESTOPPERS**

- Local, nonprofit, community-based program that uses the public, media, and law enforcement to wage war on crime
- Designed to help law enforcement fight crime by gathering information from the public
- CrimeStoppers encourages the public to help them fight crime by offering tipsters anonymity.
- Unlike other reward programs that only give awards after the accused have been convicted, CrimeStoppers offers rewards to the public only upon the arrest and indictment of anyone charged with a serious felony.
- CrimeStoppers also offers rewards for information leading to the recovery of stolen property and illegal narcotics.

## **HOW DOES IT WORK?**

- The media reenacts a criminal offense broadcast on:
  - Television
  - Newspaper
  - Radio
- The contact number is supplied at the end of each broadcast, and persons having any information on the broadcast are asked to call the contact number (215-STOP)
- The Montgomery Police monitor the lines, taking in the anonymous calls.
- Once the case has been solved with the help of the caller, the CrimeStoppers Board will weigh the crime and determine the amount of the award. Then, an anonymous exchange is arranged so the caller can remain anonymous.

## **BUSINESS WATCH PROGRAMS**

### **OBJECTIVES:**

- To unite businesses in an effort to network information
- To decrease the crime within an area by increasing the business

## **COMMUNITY INVOLVEMENT**

- To heighten crime prevention awareness
- To create a safer environment for customers and employees through crime prevention practice.
