During the quarter, the station did not air any programming on its primary or multicast channels that was originally produced and broadcast primarily for an audience of children 12 years old and younger. [Check box only if applicable to Station's programming. If box is checked, skip certifications 1, 2, and 3 below, then sign and date this certification and upload it to station's online public file.]

1. Station certifies that all 12-and-under children's TV programs carried during this quarter on its digital channels were formatted so that, as a matter of standard policy and practice, the programs would not exceed the "commercial matter" time limits of §73.670 of the FCC's rules (12 minutes per hour on weekdays and 10.5 minutes per hour on weekends).

Dear Affiliate Partner:

To assist you in complying with the reporting requirements for children's television and the requirement that stations air "core" children's programming, we are providing you with episode-specific descriptions (the '**NBC Kids**' educational and informational programming block) as set forth in the attached Community Relations Quarterly Children's Programming Report for the 3rd quarter of 2015. The report includes information to help prepare FCC Form 398. Please note that we have not included the specific dates and times for each of the programs as that may be station-specific.

This report is divided into the following categories:

1. Educational Objectives: NBC Kids for both 3rd quarter 2015 and 4th quarter 2015.
2. Core programming: Regularly scheduled programming furnished by the NBC Network that is specifically designed to serve the early educational and informational needs of children 16 and under. Each of these programs is identified on-air as educational and informational with the "E/I" icon, and is similarly identified to the national listing services. To assist stations with the preemption report section of FCC Form 398, we have added specific episode numbers. Please note that the age target for NBC Kids programming is identified as 2-5 years old.
3. Other programming: Programming furnished by the NBC Network that contributes to the educational and informational needs of children 16 and under, but is not specifically designed to meet the educational and informational needs of children.
4. Public service announcements targeted to children 16 and under.
5. Non-broadcast efforts that enhance the educational and informational value of NBC Network programming to children.
6. Network on-air promotional efforts, which include a schedule of NBC on-air promos for NBC Kids programming.

The regularly-scheduled children's programming and promotional content furnished to you by the NBC Network during the 3rd quarter of 2015 complied with the commercial limits of the Children's Television Act, and 47 C.F.R. §§ 73.670(a)-(d), provided that you broadcast and distributed such programming as furnished to you by NBC, and did not add any promotional or advertising content thereto other than as directed by NBC via weekly postings on APT.

If you have any questions about these reporting requirements, please feel free to call us.
