

**2014 SECOND QUARTERLY REPORT
KHTP-FM, 103.7 FM
KHTP-FM & KHTP CH-1**

**QUARTERLY ISSUES/PROGRAMMING REPORT FOR THE
SECOND QUARTER, APRIL 1 – JUNE 30, 2014:**

The following is a list of issues which the management of KHTP-FM Radio has determined to be of significant importance to the citizens of Tacoma and the Greater Puget Sound region. Also included in this report is how each issue was treated through the station's most significant issue-responsive programming and community activities during the reporting period.

**KHTP -FM, Seattle-Tacoma
PUBLIC AFFAIRS PROGRAMMING**

"CONVERSATIONS" is a 30-minute interview show airing between 6 a.m. and 7 a.m. Sunday mornings. It's hosted and produced by Entercom's Public Affairs Director Lizz Sommars and it focuses on a wide variety of issues that affect people in the greater Puget Sound area. Her guests include individuals from business, medicine, environmental, government and education groups. *Two 'Conversations' shows air back-to-back between 6 a.m. to 7 a.m. for a total of 60 minutes. Contact: Lizz Sommars, 206-577-2432.

"ETOWN" is a syndicated weekly 60-minute program running from 7 a.m. to 8 a.m. Sunday mornings. By featuring diverse music and interviews with a wide variety of authors, nonprofits and policy-makers, etown creates a constantly expanding "community on the air." etown is a place where respect for each other and our natural environment go hand in hand.

ASCERTAINED COMMUNITY ISSUES and their descriptions:

1. Business/Economy/Labor/Technology, including issues affecting the economic condition of Western Washington and the outlook for employment and its ramifications, inflation, job training, internet issues, labor relations, foreign trade, consumer issues and issues affecting entrepreneurs.

ETOWN:

Program: 'etown'

Date Aired: 4/6/14

Time Aired: 7:00 – 8:00 a.m.

Length: 13:12

Guest: Jane Goodall

Topic: Protection of animals and their natural habitat. From her work studying chimpanzees in Tanzania since the 1960's, Jane Goodall has established the Jane Goodall Institute to expand the Gombe research. She also founded Roots & Shoots in 1991, a global environmental and humanitarian program, to encourage youth to take action too.

Compliance issues covered: Environment/Youth/Government

Program: 'etown'

Date Aired: 4/13/14

Time Aired: 7:00 – 8:00 a.m.

Length: 8:56

Guest: Will McNulty

Topic: Helping veterans seek purpose and identity as citizens after combat. Will McNulty and a friend, Jake Wood, were both former Marines and found their military background gave them skills in the realm of disaster relief. They founded 'Team Rubicon' to help other vets use disaster relief as a way to find purpose, community and identity once they re-enter civilian life after serving in combat.

Compliance issues covered: Government/Environment/Health

Program: 'etown'

Date Aired: 4/20/14

Time Aired: 7:00 – 8:00 a.m.

Length: 9:00

Guest: Barry Saltman

Topic: Medical and dental care for less fortunate or people without insurance. Dr. Barry Saltman and his nurse wife Suzanne decided to open a medical clinic offer medical help to people in the community who are either uninsured or underserved. To date, they've provided over \$15-million in primary care since 2004 and \$19-million in pharmacy aid.

Compliance issues covered: Health/Poverty/Community/Family/Youth/Aging Issues

Program: 'etown'

Date Aired: 4/27/14

Time Aired: 7:00 – 8:00 a.m.

Length: 10:58

Guest: Zach Balle

Topic: Helping build schools for underprivileged kids in Guatemala. Zach left a successful real estate career realizing wealth wasn't the most important thing in life to found 'Hug it Forward', a program to build schools in Guatemala using plastic bottles stuffed with trash. Since 2010, they've built 40 2 to 3 classroom schools using a quarter a million bottles and over 100 tons of trash.
Compliance issues covered: Poverty/Education/Environment/Youth

Program: 'etown'

Date Aired: 5/4/14

Time Aired: 7:00 – 8:00 a.m.

Length: 6:24

Guest: Carol Hofgartner

Topic: Lack of art education for children in Detroit area schools. Carol founded Art Road in 2004 after quitting her job as an architectural designer to dedicate her life to providing art classes to students that lack art in their curriculum. Art Road provides art classes, supplies and art instructors to elementary school kids who would not have any art programs.

Compliance issues covered: Education/Youth/Community/Poverty

Program: 'etown'

Date Aired: 5/11/14

Time Aired: 7:00 – 8:00 a.m.

Length: 5/11/14

Guest: David Greenberg

Topic: Providing math and science exposure for underserved school kids in Denver. David Greenberg designed a charter school, the Denver School of Science and Technology, to provide added background in math and science for kids who wouldn't otherwise have this exposure.

Compliance issues covered: Education/Business/Poverty/Youth/Jobs

Program: 'etown'

Date Aired: 5/18/14

Time Aired: 7:00 – 8:00 a.m.

Length: 7:39

Guest: Curt McPhail

Topic: Lack of transportation in rural areas of Africa. Curt, co-founder of Globalbike, is helping developing countries tackle their most challenging problems through the donation of bikes. Through the use of the bikes, HIV/AIDS care workers are able to help more patients in a shorter amount of time.

Compliance issues covered: Health/Transportation/Poverty/Jobs

Program: 'etown'

Date Aired: 5/25/14

Time Aired: 7:00 – 8:00 a.m.

Length: 8:58

Guest: Stan Brock

Topic: Bringing free, basic medical care to those who need it. Stan founded Remote Area Medical in 1985 to bring medical care to remote areas overseas, but realized that there was a real need in the U.S. as well. So, in the 1990's he expanded his service to include mobile medical clinics to provide service for underinsured and the working poor.

Compliance issues covered: Health/Poverty/Transportation

Program: 'etown'

Date Aired: 6/1/14

Time Aired: 7:00 – 8:00 a.m.

Length: 10:19

Guest: Jeromy Adams

Topic: Raising money for children's hospitals through video game-a-thons. Jeromy used his radio career to help raise money for local children's hospitals and founded Extra-Life in 2008 as a full day gaming event where participants from all over the world play games and raise money to help areas children's hospitals.

Compliance issues covered: Health/Youth/Community

Program: 'etown'

Date Aired: 6/8/14

Time Aired: 7:00 – 8:00 a.m.

Length: 8:08

Guest: Erin Dinan

Topic: Providing sandwiches to homeless people in New York. Erin founded One Sandwich at a Time in New York after she gave a homeless person half of her sandwich. She decided to raise awareness of the homeless by providing sandwiches to homeless shelters and soup kitchens in New York city. With the help of 300 volunteers, her nonprofit has given out over 30,000 sandwiches to help feed the hungry.

Compliance issues covered: Poverty/Health/Community

Program: 'etown'

Date Aired: 6/15/14

Time Aired: 7:00 – 8:00 a.m.

Length: 7:50

Guest: Brad Wyche

Topic: Devastation of natural land in South Carolina. Brad felt drawn to address the issues of land use, urban sprawl, and environmental contamination and degradation and founded Upstate forever in 1998. Since then his team has been able to preserve over 17,000 acres in the upstate region allowing land to be preserved indefinitely as open space.

Compliance issues covered: Environment/Business/Government/Community

Program: 'etown'

Date Aired: 6/22/14

Time Aired: 7:00 – 8:00 a.m.

Length: 8:32

Guest: Scott Strode

Topic: Using sports as a way to stay sober. Scott began going a boxing gym as a way to avoid going to bars and keep his sobriety. He founded Phoenix Multisport in Colorado to create a safe place for people who want to get sober, try new things and meet other people who have also struggled with addiction.

Compliance issues covered: Health/Community

Program: 'etown'

Date Aired: 6/29/14

Time Aired: 7:00 – 8:00 a.m.

Length: 8:25

Guest: Larsen Jay

Topic: Recycling flowers to give to hospital patients to brighten their day. Larsen suffered a severe injury and in the first week on the hospital ward he was amazed at the influx of support he received in the form of flowers and daily visitors. Realizing that others didn't have that boost, he founded Random Acts of Flowers in 2008 to recycle flowers from grocery stores, weddings, funerals,

churches and special events where they would otherwise be thrown away, dismantles and repurposes them for hospital patients to enjoy.
