ISSUE	PROGRAM	DESCRIPTION	DATE	TIME	LENGTH
Community Awareness	Big Rapids Township State of the township address.	Big Rapids Township Supervisor Bill Stanek delivered his state of the township address to residents. During his speech, Stanek addressed a few issues like expanding the fire hall, where the township stands on recreational marijuana and cemetery maintenance	1/10/17	7pm	
Community Awareness	Arrive Alive event	Scott's Body Shop once again sponsored an event at Big Rapids high School called "Arrive Alive" the event lets students use a virtual reality driving simulator. The simulator will allow the students to see what's it's like to drive while distracted or drunk. After the simulator, the students meet with arrive alive staff and go over what they did and could have done better.	1/18/17	10am	
Community Awareness	legislative update	Freshman State House Representative Michele Hoitenga called in to give a legislative update. She said she is getting her feet wet at the capitol, and she is excited to represent her constituents as best she can during her term in office. So far they are getting assigned committees and she is waiting to hear what she will be getting.	2/16/17	12pm	
Community Awareness	diabetes prevention	Karen Ripke of the District 10 Health Department came into the station to discuss a diabetes prevention class. Ripke says the class is a 16 week course that begins this week. She says this class will offer attendees different ways to change their lifestyle in order to help curb or prevent diabetes.	2/17/17	9am	
Community Awareness	DNR Chronic Wasting Disease	The department of natural resources held a meeting at Morley-Stanwood High School to discuss chronic wasting disease and its effects on the area deer population. Wildlife Veterinarian Kelley Straka says there are two things local hunters can do to not spread CWD. "As hunters, please don't move carcasses from one area to another, that potentially spreads the disease to a new area. Secondly, if you're in a disease zone please try and not congregate deer with feed or other baits," Straka said.	2/22/17	6:30p m	

Community Awareness	Legislative update w/ Michele Hoytenga	State House Representative Michele Hoytenga called to discuss what is going on at the state capital. Hoytenga is sponsoring a bill with four other northern michigan lawmakers that would ease gun restrictions in the state. She also said she is planning on having office hours next month.	3/16/17	10:30am
Community Awareness	District Health Dept. 10 Flu Shot clinic	Officials with the county health department are offering flu shots to those over the age of six months, RN Nicki Croel says that the shots are for anyone but specifically for those who work or live with someone who has health concerns.	3/17/17	11am
