For Period 1st Quarter January 1 through March 31, 2024

WAZK provides up-to-the-minute news, information, and entertainment for Nantucketer's at home and abroad. Using locally crafted content, supplemented with third-party resources, we provide programming for locals, visitors, and people around the world who wish to maintain their connection to Nantucket Island.

- We featured local, updated Nantucket news that aired daily on the hour, seven days a week, a vital resource in a community that only has one weekly newspaper of record and one digital newspaper. Duration 6 minutes. Helping to keep the Nantucket residents stay in the know about the Town, community, schools and the Nantucket Cottage Hospital as well as on-air interviews with Town Administrator Libby Gibson following each Wednesday's Select Board meeting.

- "Select Board Recap W Libby Gibson," hosted by Nantucket's Town Manager, Libby Gibson, is a program that recapped the Select Board meeting from the night before for residents who couldn't attend. The duration was 5 minutes and aired every Thursday in the 8:00 am hour.

Multiple interviews with Anne Kuszpa discussing the housing lottery being held by Housing Nantucket. Anne also talks about their First-time home buyers classes and the importance of making donations for such a great cause.

Interviews with Peter Burke and the Nantucket Island Chamber of Commerce promoting local events and activities for residents of Nantucket including the upcoming Daffodil Festival.

Friday afternoon Maria Mitchell "Star Report" segment. Emmy Wisz and Augst Muller of the MMA talk everything going on in our Nantucket night sky and how you can view these amazing things in the night sky over Nantucket.

Corey Gammill interview about **Nantucket Youth Lacrosse** and all their great programs. He shares information about their travel options for grades 3-8, as well as a "Learn to Play Program" which is free to participants and designed for 1st and 2nd grade students! Kids can learn to play the sport of Lacrosse all while developing teamwork and problem-solving skills, boosting self-esteem and promoting the benefits of an active lifestyle.

Weekly show called "ACKforWhales" which airs on Sunday mornings. Learn about the impacts of the industrial scale offshore wind power plants being built off of Nantucket's South Shores on the marine environment, endangered whales and our historic landscapes. Learn more online at www.ack4whales.org.
