KAAZ-FM  
Quarterly Issues/Programs List

---

KAAZ-FM provides its listeners with programming and public service announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

- **Available jobs/Airport expansion:** Nick Dunn-Utah Department of Workforce Services-Discussed the boom taking place in Utah's economy right now, as well as what is driving it. Also spoke about the success governor's plan to create 100,000 jobs in 1,000 days and what students or people looking to change careers should be educating themselves in for the best success. Concluded by speaking about which areas are most in need of workers and advising listeners to visit the website to see over 21,000 available positions needing to be filled./Feedback with Abby Bonnell-Maureen Riley-Executive Director Salt Lake City's Department of Airports-Discussed the construction taking place at Salt Lake International Airport, as well as how much planning and effort has gone in to making it happen. Also spoke about the new layout the facility will have and some of the new features it will offer. Concluded by discussing the estimated completion dates, as well as a new "meeter greeter" area.
- **Blood donations/Housing teens:** Increasing need for new more blood donations/Providing housing and safety for homeless teens
- **Breast cancer awareness and survival:** Morgan Marietti and Ginger Johnson-American Cancer Society and cancer survivor/President of Get Screened Utah respectively-Discussed the upcoming "Strides Against Breast Cancer" event and many of the warning signs noticed by Ginger at the beginning of her own ordeal. Also talked about some of the programs provided by the American Cancer society that helps in the areas of helping people maintain their dignity and confidence during treatment. Concluded by speaking about the importance of men and the patient's significant others in supporting both preventative measures, as well as helping through the treatment process.
- **Cardio disease/Underage drink:** Cardiovascular diseases and prevention methods/Risks of underage drinking and need for parents
- **Cyber Predators/Ebola:** Cyber predators and steps to protect children from them/Ebola preparations and prevention efforts
- **Festival of Trees/Job growth:** Upcoming Festival of Trees benefiting Primary Children's Hospital/Utah's economic growth & new jobs

- **Fire tips/Flu shots:** Fire safety and prevention tips as you prepare for winter/Importance of flu shots and emergency kit
- **Food Drives/Wards of State:** Holiday food drives and the need for volunteers at food banks/Providing homes for wards of state
- **Joint replacement/Job growth:** Joint replacement surgery help for low incomes/Utah's economic growth and upward climb in jobs
- **Peace house/Work Bullying:** Upcoming nonprofit charitable event for Park City's free health clinics/Stopping workplace bullying
- **Tree festival/Domestic abuse:** Festival of Trees for Primary Childrens Hospital/Domestic violence and helpful resources
- **Vaccination/Diabetes:** Importance of early vaccinations/Risks and complications of having pre diabetes

---
