Program title: Behind the scenes in Catawba County government

Date: 4-10-2016 Time: 5:55 am - Duration: 3

Description: County government month is focusing on having “safe & secure counties.” In response Catawba County is working with duke energy on flooding issues, pushing church safety plans, hosting food safety classes, and by having car seat inspections and classes for expectant mothers.

Program title: Behind the scenes in Catawba County government

Date: 5-8-2016 Time: 5:55 am - Duration: 3

Description: Here are some ways to reduce ozone pollution: reduce or avoid heavy outdoor activities and travel on days when pollution levels are high, carpool as much as possible, walk to places when able, and don't mow the lawn until after six. Seniors especially should pay attention to this as they are the most at risk on bad ozone days.

Issue: US troops

The issue was addressed through the programs below.

Program title: Hickory this week

Date: 6-5-2016 Time: 5:50 am - Duration: 4

Description: the hickory aviation museum is having a welcoming celebration to show off their new facility to the public and all of the amazing commercial and military planes in their collection.

Program title: Behind the scenes in Catawba County government

Date: 4-24-2016 Time: 5:55 am - Duration: 3

Description: as part of the “safe & secure counties” program, Catawba county will offer locals the sheriff's office academy, career days at local schools, drills at local businesses involving an active shooter, women's self-defense courses, and providing aid to local veterans who are now homeless.
