Dear Ms. Leader

The letter sent on July 31, 2015 to WUNC-TV regarding the plan to deliver cable service to parts of the Raleigh – Durham area has been forwarded to me. I am pleased to learn that you are planning a new system to serve parts of the Raleigh – Durham area.

Since WUNC-TV is a qualifying noncommercial educational station, we cannot make an election. WUNC-TV is entitled to carriage under the must carry provisions of Part 76 of the FCC rules. The retransmission consent and must carry election decision that is defined in 76.64 only applies to commercial television stations. WUNC-TV formally requests carriage on Channel 4 or other negotiated channel under the current must carry rules.

If you need assistance receiving the signal of WUNC-TV, please contact Don Smith in our Engineering Technology Department at 919-549-7025. Also, we would like to offer you our digital services at no charge to your customers. These include UNC-EX, our Explorer Channel, UNC-KD, our children's channel, UNC-MX, and coming in 2016 UNC-NC, the North Carolina Channel. These channels are carried by cable systems throughout North Carolina.

If you should have any questions, please give me a call at 919-549-7806. Thank you for your interest in UNC-TV.

Respectfully,

T. Brooks Skinner
