We are in our 76<sup>th</sup> year of providing News-Talk-Sports programming for Logan, Cache County, Northern Utah, Southern Idaho and Western Wyoming.

NewsTalk 610 KVNU carries more than eight hours of local news, local events, agriculture, business, local news and sports talk, and features each day. Each hour, at the top of the hour, features ABC Information News, keeping listeners informed of national and world news.

During each broadcast day, NewsTalk 610 KVNU maintains a thorough group of local public service announcements on happenings and events. They are used on a rotating basis, both recorded and ad-libbed by our news anchors. Weekdays at 6:27 a.m. and 8:27 a.m. we feature special local people, events, activities and things going on or coming up that day or night.

Most hours of the broadcast day include at least a two-minute newscast near the bottom of the hour covering local, state and regional news. It is anchored by KVNU News anchors and other on-air News hosts.

The KVNU Morning News, with Al Lewis, Craig Hislop, Jennie Christensen, and Will Feelright is local and live each morning, beginning in the 5am hour, running wall to wall with local news, talk, weather and information, from 6 to 10 am each day.

KVNU works with Logan City dispatch to notify citizens, around our city of license, of emergencies. During the past three months, police contacted us to locate two people breaking into vehicles and using stolen credit cards at stores. We were also called to ask the public's help locating a group of missing children. We ran news alerts twice an hour, for several hours, notifying the public. Messages were also sent out using our social media sites and mobile app.

Between July and September, KVNU continued to offer tours and spoke to groups interested in radio. These groups included Boy Scouts of America, church and school organizations.

KVNU always runs extra commercials and announcements to help in this period promoting fundraisers and events. Some groups running schedules were Child and Family Support Center, Cache Valley for Hope, Alzheimer's Coalition, Sub for Santa, Common Ground Outdoor Adventures, Chamber of Commerce, and other local groups having fund raisers to help ailing or needy people in our valley.

We also have a web site [www.610kvnu.com](http://www.610kvnu.com) and [www.CacheValleyDaily.com](http://www.CacheValleyDaily.com) which instantly updates news, especially local news, plus has local community events calendars, and free classified advertising, plus business links.

We all live in our community and we believe in promoting all the good events and activities that our listeners are involved in, or could get involved in.
