The station is locally owned (Sun Valley Radio, Inc.), locally operated and involved in the community we serve. We are in our 76th year of providing News-Talk-Sports programming for Logan, Cache County, Northern Utah, Southern Idaho and Western Wyoming.

NewsTalk 610 KVNU carries more than eight hours of local news, local events, agriculture, business, local news and sports talk, and features each day. Each hour, at the top of the hour, features ABC Information News, keeping listeners informed of national and world news.

During each broadcast day, NewsTalk 610 KVNU maintains a thorough group of local public service announcements on happenings and events. They are used on a rotating basis, both recorded and ad-libbed by our news anchors. Weekdays at 6:27 a.m., 8:27 a.m. and 9:27 a.m. we feature special local people, events, activities and things going on or coming up that day or night.

Most hours of the broadcast day include at least a two-minute newscast near the bottom of the hour covering local, state and regional news. It is anchored by KVNU News anchors and other on-air News hosts.

The KVNU Morning News, with Al Lewis, Craig Hislop, Jennie Christensen, and Will Feelright is local and live each morning, running wall to wall with local news, talk, weather and information, from 6 to 10 a.m. each day.

Our local talk show, For The People, a locally produced, news and issues talk show in the 4 to 6 pm hour weeknights. It is hosted by Jason Williams and Bill Walter, Monday through Friday afternoons. KVNU works with Cache County dispatch to notify citizens, around our city of license, of emergencies. In December, two separate accidents closed roads to traffic for several hours, US-91 December 15 and US-89/91 December 30. We aired traffic alerts during the effected times, to notify drivers of the closures and alternate routes.

Between October thru December, KVNU continued to offer tours and spoke to groups interested in radio. These groups included Boy Scouts of America, church and school organizations.

KVNU always runs extra commercials and announcements to help in this period promoting fundraisers and events. Some groups running schedules were Child and Family Support Center, Cache Valley for Hope, Alzheimer's Coalition, Sub for Santa, Common Ground Outdoor Adventures, Chamber of Commerce, and other local groups having fund raisers to help ailing or needy people in our valley.

We also have a web site www.610kvnu.com and www.CacheValleyDaily.com which instantly updates news, especially local news, plus has local community events calendars, and free classified advertising, plus business links. We use social media sites Facebook, Twitter and our Commotion smart phone app to also inform listeners.

We all live in our community and we believe in promoting all the good events and activities that our listeners are involved in, or could get involved in.
