Host, Dr. Fernando Zorrilla, presents a Q&A style program and invites guests from all branches of healthcare to inform our listeners on how to properly take care of their own health and the general health of their families.

**SPECIAL SEGMENTS:**

Every 2<sup>nd</sup> Tuesday of the month we invite Pablo Panta from the Houston Alzheimer’s Association and his guests to present information on Alzheimer along with how the Association can help those in need within our Hispanic community.

**2. Real Estate**

KYST 920 AM is driven to educate our local Latino community on the home buying process in order to maximize their assets available to themselves and future generations. Through our real estate segments we look to show our community how to get out of rental situations and into ownership (when feasible).

This show is intended to help our Spanish speaking community connect with trustworthy local professionals that can help them stretch their dollar and invest in their family’s homestead.

### **3. Legal Residency**

Our community is built on a strong foundation of immigrants. KYST promotes legal residency or citizenship through a variety of programs that invite immigration attorneys on-air to discuss advice regarding legal immigration. We also inform our community on current events that could affect their immigration process.

There is a demand from our community for more Latino leadership and representation in our private and public sectors.
