Issue Topic (Crime, Health, Senior Life, etc.) - YOUTH HEALTH AND SAFETY

Describe The Issue Within The Community - SAFETY In the poorest areas of the developing nations where ISA works, there are no youth sports facilities, programs, or equipment--not even a public park in which to play. When there's nothing to do, kids get into trouble, with many children ending up in gangs, kidnapped by human traffickers, or recruited by terrorists. Many more turn to drugs and alcohol. Donations to the ISA keep these kids off the streets, changing the course of their lives, and giving them hope for the future.

Describe How The Program Addresses The Above Issue - The International Sports Academy is a 501(c)(3) not-for-profit organization based in Russell, PA, that partners with local churches all over the world to set up organized sports programs as a means of reaching young people in their regions. We donated a PSA campaign to promote a fundraising golf tournament that will benefit this program.
