Jan. 1 - March 31

These are all OUT OF DATE now.

In partnership with several Central PA churches, Kissell Motorsports is holding a donation drive to send food and donations down to those affected communities in Kentucky. Together, we will work to stuff our box truck full of relief supplies, and we will drive it down to Kentucky on 1/6.

Just drop your donations off at 5165 E Pleasant Valley BLVD, Tyrone, PA, and we'll take care of the rest! If you'd rather make a monetary donation, we will send 100% of all donated funds to help those affected by the tornadoes.

Perspectives on the World Christian Movement is a 15-week course related to God's global purpose. Since 1974, the class has been held all across the USA and in many countries around the world with more than 130,000 alumni. Guest speakers come mostly from out of town to share biblical, historical, cultural, and strategic perspectives regarding the Great Commission. The large majority of the students in this life-impacting class will not be missionaries. The course helps to put eternity in good perspective.

The class will be returning to State College starting on January 9, 2022 at 6:00 PM at the DiscipleMakers headquarters on Science Park Rd. The first two classes are free. If interested, sign up soon to make sure there is room for you to attend (for at least the first class). It is worth the investment.

****You are invited to take part in a workshop on Emotional Health and Stability at Lifegate Baptist Church beginning on Tuesday, January 11 at 7:00 pm and continuing each Tuesday through March 1 at 7:00 pm.
