Our focus is serving those in need and all are truly welcomed, however, it is important to note that 88% of our clients are in the low to extremely low income levels, many of whom are seniors living on limited retirement income or Social Security, as well as under-insured or uninsured families. Many times these individuals and families 'fall through the cracks' and do not qualify for subsidized outside assistance. Without the services provided by Hospice of the Conejo these people would not have access to the compassionate support, guidance, and healing care our professional therapists, specially trained volunteers and staff provide. We are the only organization in our region to offer non-medical volunteer hospice care and long-term therapist-led grief support completely free of charge. Since 1977 Hospice of the Conejo has been dedicated to serving as a community based, non-profit, non-medical, volunteer hospice and grief support center, whose objective is to affirm life, even when faced with life-limiting illness and grief

The City Center was built upon the premise that together we can help end homelessness in Ventura. By your generous donations, mentoring provided by churches, and support by our community and local businesses, we will accomplish our vision. Your donations help provide skilled, professional case management as well as around the clock on-site management at our mid-town location. Spiritual mentoring is a crucial part of the TCC experience, and we look to our local houses of worship to encourage spiritual growth and provide life skills.

Opportunities abound for local businesses to partner with us by providing building supplies, meals or monetary donations. The Life worth Living happening at The River Community Church in Ventura Learning about upcoming projects
