

The attached document was timely prepared by the January 10, 2019, deadline.

As a result of the federal government shutdown that started on December 22, 2018, the FCC's online public file (OPIF) system was inaccessible and non-functioning from January 3, 2019, until January 27, 2019.

Consequently, the attached document was not uploaded until after the January 10 quarterly filing deadline, after the federal government reopened and the FCC's OPIF system was put back into service.
