February 28, 2019

Dear Media Outlet;

The National Honor Society at Wadena Deer-Creek High School is hosting the Day of Caring Event again this year. During this event, students help community members with outdoor projects such as raking leaves, cleaning first floor windows, and cleaning out flowerbeds. We are asking for your help to let people in the community know about it. We would appreciate it if you could share this information with your readers/listeners in whatever form you have available (article, news story, etc). You may use the text below or change it to suit your needs. If you have any questions, please contact Dawn Hamelau at 218-632-2313. The number to call to get on the list of locations requesting help is 632-2444.

"WDC students are planning a "Day of Caring" on April 24<sup>h</sup> to help members of the Wadena, Deer Creek, and Bluffton communities with outdoor yard work tasks such as raking, clearing flowerbeds and washing first floor exterior windows. If you have an outdoor project you would like help with, please call 632-2444 by April 10<sup>th</sup>. There is no charge for this community service event. In the event of severe weather, the Day of Caring will be changed to May 1<sup>st</sup>.

Sincerely,

Dawn Hamelau (NHS Advisor) and the NHS Day of Caring Committee

**ATTENTION SENIOR CITIZENS:** The following Driver Courses are currently set up for you. Please call (218) 385-4201 to sign up. For your convenience, we always have waiting lists for the 4-hour refresher course and the initial 8-hour course.

### **55+ Driver Improvement Program**

This Driver Improvement Program is put on by the Minnesota Highway Safety Research Center through St. Cloud State University. You can check out their website at [www.mnsafetycenter.org](http://www.mnsafetycenter.org). It is an awareness-level driver safety program that is primarily intended for the 55+ age population. However, many/most of the concepts and information provided may be applicable to drivers of all ages. These courses will give participants a better understanding of vehicle and traffic safety, new technology, physical changes and increased driving risks as we age, changes to laws and the decisions drivers can make to be safer on our roadways. The presenter will provide you with information in both lecture and video format that can be discussed with other class participants.

This program is an approved Accident Prevention course by the MN Department of Public Safety. Participants who complete this course every 3 years are eligible for a 10% discount on their personal automobile insurance premium.
