In the courtroom Monday former President Trump was sitting between his attorneys. The judge has already ruled that he committed fraud by inflating his net worth by as much as 2.2 billion dollars. Now he could be forced to give up control of some of his New York properties. The former president and the Attorney General also made their cases to the media. No matter how powerful you are, or how much money you have, the law is both powerful and fragile and today in court we will prove our case.

Dr. Faron Cole, Pastor Timothy A. Roeser, Pastor David Hughes II, Dr. Kathleen Wuopio, Apostle Jonathan Richardson. Regarding 1 Timothy 4:8, is it okay to workout at a gym? It's okay for several reasons. First and foremost, for me, I like working out for just self-esteem purposes, I feel better when I think I look better. When I have more energy also. God is a healing God, you know, by his stripes we are healed, but I think more so God is a God who likes health, you know, prosper and be in health even as our soul prospers. So, he wants us healthy.

Dr. Faron Cole, Pastor Timothy A. Roeser, Pastor David Hughes II, Dr. Kathleen Wuopio, Apostle Jonathan Richardson. Is cremation okay? We need to understand that cremation is something that is really not covered by the Lord and it doesn't matter how you die. You'll find that the traditions of society handle cremation differently and therefore, you know, you think the Lord has to account for that because men have died at sea, eaten by sharks, or whatever. There're men that have been burned at the stake. Wonderful men. Like John Wickliffe. So just to let you know cremation is acceptable at least in the scriptures that I see.

A politician in Finland who endured a year's long legal battle for sharing her biblical views on sexuality has been found not guilty of hate speech. In 2019, Dr Pivi Rosenan a member of The Finnish Parliament tweeted a text from the book of Romans which calls homosexuality a sin, adding to her legal troubles a radio interview and a pamphlet she'd written on Biblical views on sexuality 20 years earlier. The Helsinki court of appeals today upheld a lower Court's ruling unanimously dismissing three criminal charges against she could have faced two years in prison or a heavy fine.

Pastor Tim Walker, Overseer Rena Collins, Pastor Ronald Turner, Pastor David Hughes II, Pastor Ricky Holmes. In Psalms 99:1, does this mean that the Lord causes earthquakes? The term here is not a reference to the shaking of the earth as in a natural earthquake. But look at the first three words of that verse, the Lord reigneth, the Psalm opens with in declaration of God's sovereign rain over the universe and the psalmist goes on to say that because he reigns as king over the universe all of the Earth it should be moved. All of us, both the inhabitants of the earth, even Earth itself should shake and quake in the presence of God's awesome splendor. So, it is not a reference of an earthquake but it is a reference of a shaking and all in wonder over the grandeur of our eternal creator.

Pastor Brandon Hollis, Pastor Melvin Steed, Pastor Tim Sculte, Dr. Kathleen Wuopio, Pastor Jeff Haygood. Why did God put constellations in the sky? What do they represent? You know the first thing I think of is in Proverbs 16:4 it says God has made everything for his own purposes. So, when he initiated creation and we read about the creation account in Genesis that God created everything, right? We look at how God created, he spoke these things into existence. So, we see the trinity involved in action and God created this expansive universe to display his glory. And as far as why the constellations are there, I don't think I have a good answer personally for that. So, but nonetheless, it's created for his glory and we could behold his glory every time you go outside and look up on a starry night.

Dr. Faron Cole, Pastor David Gray, Pastor Timothy A. Roeser, Pastor Mark Galambos, Dr. Kathleen Wuopio. Does is offend God if we celebrate our earthly birthdays? I would say absolutely not. I believe that we have two birthdays. I think we have a birthday when we're born into the natural and God has created us, he is the light of men and we celebrate our birth as a result. We give God all the glory, we celebrate the fact that he's given us life and then the second thing we need to celebrate more when we're born again because that's the most important birthday we would have, if we can call it that.

Some of you may not like me when I'm done with what I'm about to say. Halloween is an absolute Pagan satanic holiday. I don't know how else to put it. I'm not going to fluff it up and dress it up. What I could do is I can give you some scriptures to comfort you in this season of your life. Let me give you a Psalm 73:26. It says this, it says my health may fail and my spirit may grow weak, but God remains the strength of my heart. He is mine forever.

Dr. Faron Cole, Pastor Timothy A. Roeser, Pastor David Hughes II, Dr. Kathleen Wuopio, Apostle Jonathan Richardson. What does the Bible say about feeling comfort by the presence of a loved one who has passed away? Well, the Bible teaches that if a loved one passed away, there's comfort in knowing that you will see them again. Even as in 1st Thessalonians, chapter 4, we see talks about the rapture of the church and in that he says that we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air. And so, we shall ever be with the Lord, wherefore comfort one another with these words. So, there's a great comfort in knowing that you're going to one day see your loved one.

Pastor Brandon Hollis, Pastor Tim Schulte, Pastor Mark Galambos, Pastor Jeff Haygood, Pastor Melvin Steed. What scripture is appropriate to share with someone who is dying? One of my go-to verses that offers reassurance to that and comfort is John 4:14. Let not your heart be troubled. Believe in God, believe also in me. In my father's house there are many rooms. I go to tell you I prepare a place for you. If I go to prepare a place for you. I'll come and take you there myself that where I am, you may be also and you know where I'm going. Those are great words of encouragement and something that every believer can be reassured of their salvation and their eternal destiny with Jesus.

Pastor Samuel Vicente, Pastor Tim Neal, Bishop Samuel Hampton II, Pastor Mark Galambos, Dr. Melvin Steed. If someone is suffering from deep depression due to the passing of a spouse and is contemplating suicide, will they go to Heaven? We have to deal with this by faith. The word of God can break this depression. The loved one has moved on, but your perspective has to be rejoicing that this one you loved is now in the arms of the Lord. Regarding suicide, God is the only one that knows the heart of the individual. But God loves you and wants to help you.

Pastor Timothy Walker, Pastor Ricky Holmes, Pastor Mark Galambos, Pastor Ronald Turner, Pastor Joe Spence. What is a church? By definition, it means a gathering of individuals. When the Bible references it, it means the Christian church which is the body of Jesus Christ. The church could consist of 2 people or a multitude, the numbers are not important. What is important is that we recognize the church is held dear to the heart of God. God purchased the church with his own blood.
