This event is open to the general public along with CMU students, alumni, staff and faculty. The Career Fair is specifically designed to meet the community's needs by bringing the university Career Fair and the community Job Fair together to provide more efficient use of your time and resources in your search for employees.

Career Connections kicks off in 2018 with an ad in **The Daily Sentinel** on Sunday, February 25th. The Career Connections insert provides readers with local employment information and resources for employers, job seekers and students. This publication will reach over 50,000 readers in Western Colorado and will be distributed throughout the year by Mesa County Workforce Center and Colorado Mesa University. Career Connections also publishes online at GJSentinel.com all year – reaching over 180,000 unique visitors each month.

This year's Career Fair will be held on **Thursday March 1st, 2018 from 9:00 a.m. until 2:00 p.m.** in the University Center Meyer Ballroom on the Colorado Mesa University campus. The booth registration fee is \$250.00 which includes an eight-foot table and tablecloth for your display, and a luncheon buffet for one (additional lunch tickets will be \$15.00 each). A light breakfast will also be provided, courtesy of Mesa County Workforce Center. If you advertise in the **Career Connections** insert and have a booth, you receive a discounted advertisement package rate and your booth is only \$195.00.

We are anticipating that booth space for the Career Fair will go fast, so please make your reservation immediately by scanning and emailing both sides of the enclosed registration form to Colorado Mesa University Career Services career@coloradomesa.edu. In order to guarantee your booth availability, all Career Fair fees must be paid by the registration deadline of Friday, February 16th, 2018. Your Daily Sentinel Account Executive will be contacting you regarding advertising in **The Daily Sentinel**, or call Jennifer Campos, Classified Advertising Manager at (970) 256-4384.

Whether your employment needs are immediate or in anticipation of future hires, the Career Fair will provide your company exposure to both active and prospective job seekers to help your business grow.

Looking forward to Connecting with you soon!

Documentation of Internship Program

MBC Grand Sports Internships – Jim Davis of KTMM/KNAM

MBC Grand Internship Program:

Internships with MBC Grand Broadcasting are available to high school and college students. Internships to non-students will be reviewed on a case by case basis by MBC Grand management. Internships are available to non-broadcast majors.

Interns are taken on a first come-first serve basis. MBC Grand does not advertise for interns. Most interns contact MBC Grand directly. Colorado Mesa University professors work with the interns and the supervising MBC Grand employee on mid-term and final grades. Interns are recruited at the CMU job fair by MBC Grand employees.

Interns typically work 4-6 hours per work. MBC Grand works with the intern in regard to their class and personal schedule.

Interns can receive credit through their college's internship program. High school credit will also be given through the school. The supervising MBC Grand employee will be responsible for assigning a letter grade and completing associated paperwork required by the college or high school. The supervising MBC Grand employee will be the news, sports, program or promotions director. Interns are paid for work such as sideline reporting, covering events-games, studio engineering, and broadcasting and spotting for sports broadcasts. The rate is as follows: sideline reporting-spotting: \$30.00 per game. Studio engineering: \$50.00 per game. Color analyst for broadcast: \$50.00 per game.

Interns are usually based in the department they have the most interest in: news, sports, promotions or music programming. Interns are exposed to all of these departments, along with sales. The intern shadows MBC Grand employees about the various departments.

Interns learn how to write news and sports stories, do audio editing, on-air announcing, and board operation. They learn how to determine on-air content and vocal broadcasting techniques.

Promotions & Public Relations Internship

MBC Grand Promotions and Public Relations Department serves all either of our radio stations and offers internships to qualified students interested in pursuing a career in broadcast promotion. Interns learn the day-to-day inner workings of a radio station to drive ratings and increase revenue share. First priority for MBC Grand's internship is given to college junior and seniors earning academic credit. This internship is also available to high school students.

Assignments for interns in this department include but are not limited to:

- Assist with various station promotions from conceptual stage to fruition.
- Work promotional events, including setups and staffing.
- Help brainstorm promotional ideas that serve our stations and clients.
- Assist with updating station websites, processing prizes, and notifying winners.
- Preparing contests, event-related and departmental documents, such as prize sheets.
- Solicit and prepare promotional items and prizes for on-air contest and event giveaways.
- Respond to listener inquiries and provide assistance and information to station contest winners.
- Write and schedule promotional announcements.
- Carry out special projects.
