Hi Polk County, Sarah Fortney here. Many may know me because I taught you and/or your children. I am seeking re-election to the Polk County School Board and need your vote on or before August 23<sup>rd</sup>. Experience matters when keeping schools safe, and I will continue to stand with Sheriff Grady Jude's Safety Plan. Experience matters to insure focus on core academics. Experience matters when advocating for families, students, and staff. I have been endorsed by the Business Voice of Lakeland Chamber, Polk County Builders Association, and Florida Realtors. Not to mention thousands of staff and students. I'm the real deal that wants your vote because I represent stability, not chaos. I want to continue to work with this great district, and our Superintendent Fred Heid. Re-elect me, Sarah Fortney, by August 23<sup>rd</sup>. Pre-K through 12 public schools just do it better. Every student protected every family respected. Paid for and approved by the Sarah Fortney for School Board Campaign.
