Salina Media Group "In Touch" Programs for KSAL - AM

Salina, KS - City of License

In an effort to further serve our listeners by informing them of topics directly or indirectly affecting them, the Public Affairs Committee of KSAL-AM reviewed the following topics for the Public Affairs programs "In Touch".

Public Affairs topics for 1st Quarter 2024:

1. Is it art -- is it advertising? The half done mural on the side of the Cozy Inn has turned into a free speech issue: Samuel MacRoberts with the Kansas Justice Institute represents the Cozy.
2. The clock is ticking on programs designed to help farmers and ranchers in America -- all reside within the Farm Bill. US Senator Roger Marshall from Kansas.
3. City leaders continue to look at existing spaces around Salina to improve or remove: Is Memorial Hall still viable for use in 2024 and beyond? City Manager Mike Schrage.

After careful consideration on the above topics, we ascertain their importance to the community we serve and find them acceptable in nature for the period of January-March 2024.
