Salina Media Group "In Touch" Programs for KSAL - AM

Salina, KS - City of License

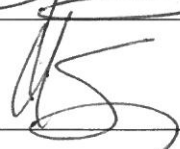

In an effort to further serve our listeners by informing them of topics directly or indirectly affecting them, the Public Affairs Committee of KSAL-AM reviewed the following topics for the Public Affairs programs "In Touch".

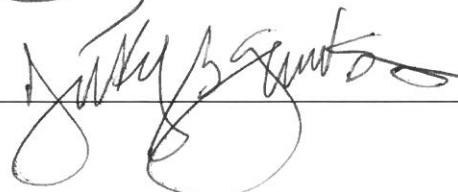

Public Affairs topics for 3rd Quarter 2023:

1. Construction of the Saline County Jail is complete. Sheriff Roger Soldan says his team is training on the high-tech doors with digital locking systems and the HQ room with multiple video monitors. Inmates move in by early December.
2. There could be a change coming to City Commission meetings in Salina as staff ponders the efficiencies of cutting the public forum to just twice a month. City Manager Mike Schrage.
3. Gaps to reliable internet connections still exist in Kansas. Saline County including the FCC is working for state wide education and funding to improve underserved areas. Saline County Administrator Phillip Smith-Hanes.

After careful consideration on the above topics, we ascertain their importance to the community we serve and find them acceptable in nature for the period of July-September 2023.
