

October 18, 2022

We received these orders for Mike Crapo for Senate last evening at closing time. We confirmed with the agency that logs are closed and that the ads could begin running on 10/19/22. There is email communication about that attached here. We have not received the payment confirmation yet, so we have entered these as "accepted in part" and will finalize the orders in the schedule once payment is received. We also wanted to confirm the end date of the ads since they are currently requesting that they run after the election is over, which we think might be an error. So here are the orders as we have received them so far. We will follow up with the rest of the information as it comes in.
