"Citizen Lake" this week took calls from listeners - while we do have repeat callers and some complain about it, the open forum is appreciated by many. I haven't really had any trouble with callers behaving inappropriately at all. I'm on a theme asking both listeners and station volunteers (programmers and board ops) to comment on how KPFZ can be improved and made more useful to our local area.

PSAs for the farmer's market, holiday events, the Lake County Genealogical Society and Anderson Marsh were promoted

General Call-In hour. I am having trouble getting people to come into the studio for interviews. I don't like doing "phone in" calls with guests as the sound quality is NOT good and is a tune-out, in my opinion. Nonetheless, I had an hour of callers - station volunteers discussing their programs and listeners talking about a range of issues - the long term impact of COVID and school shut-downs, the impact of inflation and the generally snark nature of the vox populi.

Local Community Organizations and events were promoted, as always.
