

RADIOACTIVE Weekly Report

Host: Craig Hammond

Co-Host: Russ Hatfield

Producer: Matt Deal

Station: WHIS 1440 AM & 97.3 FM

Time: 9:06 A.M. -10 A.M.

Week: Monday, July 29th – Friday, August 2nd

Guests: Dr. Meshel, Marty Gearheart, Deke Kersey, John Velke

Topics:

Health – Dr. Jack Meshel told us about the dangers of food poisoning from supposedly “pre-washed” salads and vegetables.

Government – Former WV Delegate Marty Gearheart explained the redistricting that will take place in WV after 2020.

Deke Kersey from the WV Secretary of State’s office told us about how WVU could play a role in the changing ways that we will cast absentee ballots in the future

Community – John Velke came by with some local historical artifacts and revealed that he is attempting to establish a museum of local history.
