### 3<sup>rd</sup> Quarter 2023 “Virginia Focus” Public Affairs Issues/Clearance

#### **Virginia Focus - Smart City Technology 7-1-23**

**Welcome to Virginia Focus. I'm Rebecca Hughes of the Virginia News Network.**

**Smart technology aims to make our lives easier. A new study indicates that living in a city that utilizes Smart City Technology improves our quality of lives and even makes us happier. Norfolk, VA is one of many cities across the U.S. that uses smart city technology. On this episode of Virginia Focus, we're talking to Executive Vice President of Cox Business Jeff Breaux to learn more.**

**Broadcast date/time: 7/2/23 8am and 7/9/23 8:30am**

#### **Virginia Focus - Healthcare Apps & Privacy 7-8-23**

**Welcome to Virginia Focus. I'm Rebecca Hughes of the Virginia News Network.**

**Close to 84 million people use some type of healthcare app and many don't know that Health-related mobile and web apps are not bound by HIPAA, leaving room for risky data sharing practices. Virtru is a company that works for data security and privacy protection. On today's episode, we're talking to Mishi Choudhary, the General Counsel for Virtru to learn what ways you can protect your information.**

**Broadcast date/time: 7/9/23 8am and 7/16/23/8:30am**

**Virginia Focus - Judaism Disrupted 7-15-23**

**Welcome to Virginia Focus. I'm Rebecca Hughes of the Virginia News Network.**

**After the pandemic, some people find themselves wondering how they can update how they think about spirituality in our modern world so it applies to their daily life. On this episode we are taking a look at the American Jewish experience and how spirituality, in general, has been placed under the microscope. I've invited Rabbi Michael Strassfeld on the show to also talk about his new book "Judaism Disrupted: A Spiritual Manifesto for the 21st Century".**

**Broadcast date/time: \_\_7/16/23 8am and 7/23/23 8:30am\_\_\_\_\_**

**Virginia Focus - VSP HEAT Program 7-22-23 & 8-19-23**

**Welcome to Virginia Focus. I'm Rebecca Hughes of the Virginia News Network.**

**In 2020, Virginia State Police report that more than 11,000 vehicles were stolen in the commonwealth. It is estimated that the value of stolen vehicles and parts totaled more than \$120 million. Don't become a statistic or an easy victim. Let's talk to 1st Sgt. Peter Lazear.**

**Broadcast date/time: \_\_7/23/23 8am, 7/30/23 8:30am 8/20/23 8am and 8/27/23 8:30am\_\_\_\_\_**

**Virginia Focus - Virginia Association of Museums 7-29-23**

**Welcome to Virginia Focus. I'm Rebecca Hughes of the Virginia News Network.**

**Whether you enjoy visiting historic houses, botanical gardens, aquariums and zoos, historic battlefields, or other places of interest, there is a group in Virginia supporting the educational and restorative work of those nonprofits in Virginia. On today's episode we are going to learn more about the Virginia Association of Museums and how they support the preservation of such important pieces of history. Let's welcome Rick Hurley, the Executive Director of the Virginia Association of Museums, to the show.**

**Broadcast date/time: \_\_7/30/23 8am and 8/6/23 8:30am\_\_\_\_\_**

**Virginia Focus - Satellite Comm & Disasters 8-5-23**

**Welcome to Virginia Focus. I'm Rebecca Hughes of the Virginia News Network.**

**For people and businesses, being prepared for natural disasters is key, and widespread outages have underscored the need for dependable satellite communication technology to ensure reliable connectivity in times of need. When internet and cell networks go down, satellite communication infrastructure saves lives by enabling emergency responders, relief organizations, and affected communities to coordinate rescue efforts in real-time. On this episode of Virginia Focus, we're talking to Josh Miner, the Vice President of Land Mobile for Iridium Communications to learn more about staying safe and connected during emergencies.**

**Broadcast date/time: \_\_8/6/23 8am and 8/13/23 8:30am\_\_\_\_\_**

**Virginia Focus - Traveling With Pets 8-12-23**

**Welcome to Virginia Focus. I'm Rebecca Hughes of the Virginia News Network.**

**More Americans are traveling and some may be deciding not to board their pets. With an increase in the number of pet-friendly hotels and motels, many are bringing their furry friends along on their adventures. On this episode of Virginia Focus, we're talking to the President of the American Veterinary Medical Association, Dr. Rena Carlson, to get some tips for how to make your pet's stay comfortable and enjoyable.**

**Broadcast date/time: \_\_8/13/23 8am and 8/20/23 8:30am\_\_\_\_\_**

**Virginia Focus - The Paradox of Debt 8-26-23**

**Welcome to Virginia Focus. I'm Rebecca Hughes of the Virginia News Network.**

**Debt is the real factor that drives both economic growth and financial crises from recessions to extreme inequality. In order to understand this paradox, we need to address why a certain amount of private debt is vital to the economy. On this episode, we're talking to Richard Vague, an author, Former Secretary of Banking for Pennsylvania, and former CEO of two banks. His new book "Paradox of Debt" reveals the role that debt plays in our lives, and how we can make better use of it without leading to crisis.**

**Broadcast date/time: \_\_8/27/23 8am and 9/3/23 8:30am\_\_**

**Virginia Focus - IT Talent Gap 09-02-23**

**Welcome to Virginia Focus. I'm Rebecca Hughes of the Virginia News Network.**

**Cybersecurity statistics from Astra Security indicate that there are 2,200 cyber attacks per day, with a cyber attack happening every 39 seconds on average. In the US, a data breach costs an average of \$9.44M, and cybercrime is predicted to cost \$8 trillion by 2023. As a result, there is a growing demand for skilled technology talent. In a 2021 survey of chief information officers from federal agencies and contractors, results show 32% of respondents say fewer graduates with IT skills is having an impact on their ability to deliver services effectively. On today's episode we're talking about this situation with Federal Practices Lead at Revature John Dow.**

**Broadcast date/time: \_\_9/3/23 8am and 9/10/23 8:30am\_\_**

**Virginia Focus - Student Loan Payments 09-09-23**

**Welcome to Virginia Focus. I'm Rebecca Hughes of the Virginia News Network.**

**Soon borrowers who are out of college will have to resume paying back their federal student loans after more than three years. Some parents may prioritize their child's financial needs over their own need to prepare for retirement, which is not recommended. As federal student loan repayments restart, many who owe will wonder how best to prepare their budget for this returning expense. We're talking to SoFi's Manager of Financial Planning and Student Loan Expert Brian Walsh to get some answers to your most common questions.**

**Broadcast date/time: \_\_9/10/23 8am and 9/17/23 8:30am\_\_**

**Virginia Focus - Communities in Schools 09-16-23**

**Welcome to Virginia Focus. I'm Rebecca Hughes of the Virginia News Network.**

**New groundbreaking investments hope to create jobs, improve graduation rates, and support thousands of students in over a thousand schools in America. Communities in Schools hopes to also help students in Virginia and across the nation overcome nonacademic challenges like poverty and health concerns by providing mentors, counseling, and access to essential resources. To learn more about this initiative, we're talking to CIS President and CEO Rey Saldana.**

**Broadcast date/time: \_\_9/17/23 8am and 9/24/23 8:30am\_\_**

**Virginia Focus - Food Allergies & Schools 09-23-23**

**Welcome to Virginia Focus. I'm Rebecca Hughes of the Virginia News Network.**

**Since 1 in 3 children in the United States deal with food allergies, it's imperative that parents be prepared and help their children and their classmates learn about the possible consequences of allergic reactions. On this episode, we are discussing innovative treatments, that latest guidance for epi devices, legislation to increase research funding, and more. Let's get more information from FARE Senior Director of Education and Support Dr. Kelly Cleary.**

**Broadcast date/time: \_\_9/24/23 8am**
