

Quarterly Issues Programs List KPGR 88.1 FM Pleasant Grove
July 1, 2021

KPGR serves our listeners by broadcasting Public Service Announcements daily. These announcements are produced by a variety of providers. Students are also involved in the production of public service announcements.

KPGR broadcasts our sporting events over the air as a service to our listeners. This quarter we broadcast every football and girls soccer game through our youtube live stream outlet PGSN.

KPGR is working with local musicians to promote the local music scene. Our music director has been creating a playlist that consists of 70% local music and 30% National.

KPGR plays a regular rotation of locally produced and recorded music. This quarter students returned to school and were trained on etiquette and equipment.

KPGR DJ's have produced live stream videos for the public for High School sports and Disc Jockeys have announced the live stream location on air.
