SUBJECT: National Night Out

DISCUSSION: National Night Out Cumberland is on! 'America's Night Out Against Crime' will still bring police and neighbors together under positive circumstances by bringing The City of Cumberland Police Department to you. However, this year in being cautious and following local health department guidelines, organizers are reimagining the event. They are also asking everyone to turn their porch lights on throughout the community on Tuesday, October 6, a throwback to the roots of the National Night Out campaign. It's an important year to recognize National Night Out which promotes not only Police-Community Relations but crime, drug and violence prevention, safety, and neighborhood unity. First responders – including police officers, firefighters, paramedics and more – are part of the fabric of our community and the best way to build a safer community is to get to know them, your neighbors, and your surroundings. On Tuesday, October 6, a caravan of Cumberland Police Vehicles, including Cumberland Fire, will travel to: • South Penn school from 5:00-6:15 p.m.; and to • Braddock Middle School from 6:45-8:00 p.m. Parents and their children are encouraged to get to know the officers and ask questions during this visit. All will have the opportunity to see City of Cumberland emergency response vehicles, such as Bike Patrol, Squad Car, K-9 Unit, CERT Vehicle, Ambulance and Fire Truck and other safety equipment while learning about a wide variety of safety topics. The Salvation Army Canteen vehicle will be traveling with the caravan of emergency vehicles to distribute hot dogs and drinks. CDC/Health Dept. guidelines on sanitation will be followed and we ask all to line up with appropriate social distancing of 6 feet apart at these vehicles. Face coverings are required. Several local organizations have already offered to contribute in some way toward this event. Organizers encourage involvement from neighbors, community groups, organizations and businesses toward this event. Contact the City of Cumberland's Community Development Dept., email terri.hast@cumberlandmd.gov, or call 301-759-6517.

SUBJECT: COVID-19 Update in Allegany County

DISCUSSION: The Maryland Department of Health (MDH) has ranked Allegany County in the bottom five jurisdictions for COVID vaccination rates among nursing facility staff. According to the Skilled Nursing Facilities Vaccination Dashboard, only 59.4% of staff at Allegany County skilled nursing facilities are fully vaccinated against COVID. The county ranked a bit better in vaccination rates for residents of those nursing facilities, with 85.7% fully vaccinated against COVID. That puts the county at 15th out of 24 jurisdictions for nursing home resident vaccinations. The vaccination rates for staff and patients reflect an average of rates at all skilled nursing facilities in the county. More information on individual facility vaccination rates can be found at <https://aging.maryland.gov/Pages/SNFVD.aspx>. The Allegany County Health Department reports that 40.6% of all Allegany County residents are fully vaccinated against COVID-19 compared to 58.5% of all Marylanders. ACHD noted that there was a marked increase in the number of 12 to 17 year olds who attended last Wednesday's Pfizer vaccination clinic at the Willowbrook Office Complex.

SUBJECT: Virtual School Options

DISCUSSION: Allegany County Public Schools will offer a Blended Virtual Learning Program to any student in Grades K-12 enrolled in ACPS for the 2021-2022 school year, who due to an extenuating circumstance, need an alternative to in-person learning. Students who are admitted into the blended virtual learning program will attend the program for the set length of time per year (180 days) that is required for public school students.

Prior to completing an application for this blended virtual program, it is critical that parents and students review and understand the conditions necessary for academic success in a blended learning environment. These requirements and responsibilities are outlined on the program application.

If a student was not enrolled in a Maryland public school for the 2020-2021 school year, they will need to provide a copy of their birth certificate, proof of residency, and immunization records prior to enrollment in the school system.

*Applications for the Blended Learning Program will be available on the school system's website, www.acpsmd.org, under the Parent Resources tab. All applications will be screened for eligibility, and submission of an application does not guarantee admission into the program. **The application window will be open from July 7-16, 2021.***

Parents will be notified of acceptance/non-acceptance by the first week in August. An orientation will be held in August for students accepted into the program. If you do not have access to complete the online application, please contact Tammy Darr, administrative secretary, at 301-759-2015.
