WLFK 95.3FM OGDENSBURG

WLFK continued the long tradition of serving communities across the North Country. From small events in towns from Ogdensburg to Potsdam, and from Morristown to Gouverneur, to making sure National Campaigns gained awareness with or local audience base. We strengthened our ties with local groups and leaders and committed our team to finding even more to help wherever and whenever our communities need assistance getting out the “message”.

Bunkers In Baghdad

With Fort Drum being in our backyard and listening area we interviewed Joe Hanna founder and CEO of this great organization.

Bunkers in Baghdad is a not-for-profit charity that collects and sends new and used golf balls, clubs, and equipment to our troops around the world, with a focus on the brave men and women currently serving in combat zones. Bunkers also supplies golf equipment to Wounded Warriors Programs around

the country to aid in the rehabilitation of our injured veterans. Joe informed us Ft Drum is one of the leading recipients of the equipment donated.

USCG Aux

With safe boating month in May we continue to partner with the local chapter of the Coast Guard Auxiliary to promote boater safety in the North Country. And with new laws going in to place requiring boater safety classes it is even more imperative to get the word out to our listeners who enjoy their time on the numerous bodies of water in our area.

Edward I Moses Walk/Run For Life

The walk benefits the St Lawrence Cancer Fund and is the primary fundraiser for the fund. Along with on air interviews, mention from the on air staff, we support this with a live broadcast from the walk on the day of the event.

OTHER

WLFK was a source for very important **emergency/weather information during the typically volatile Spring weather across the North Country

**WLFK regularly airs recorded PSA's by our announcers approximately once per hour. These PSA's cover a wide range of community activities, from church dinners, support group meetings, fundraising drives and raising awareness of significant local issues. WLFK also makes use of social media outlets to draw attention to community oriented events and projects.
