His Radio Praise

4th Quarter

October – December 2021

His Radio Praise is a unique format focused entirely around Praise and Worship Music.

His Radio Praise is meeting a need as a facilitator for Praise/Worship Leaders in the churches of the communities we serve. We are a voice for new and cutting-edge praise and worship music and a resource through educating local church music ministers. Many local churches' Worship Leaders tune in weekly to find and seek out new music for their churches. We are meeting a need in our communities as that unique voice.

We are helping to facilitate unity among churches, denominations and nationalities through praise and worship music by creating an atmosphere where our listeners can join hearts together through this unique format of limited talk.

His Radio Praise also airs resources in the form of short inspirational thoughts every day on a variety of topics of interest to our listeners, from Ministries such as Max Lucado, Skip Heitzig and Carter Conlon.
