Manager's Memo

Each fall, PBS and KUED unveil a new compelling season of programs for you to enjoy. Here are just a few that I think you'll want to check out:

I'm looking forward to the new program, **Retro Report on PBS**. It's a series that takes a look at current events and traces them back in time to see how we got to where we are today. Produced by former CBS *60 Minutes* staff, it gives us a better understanding of the context of events through history. It airs Monday and Tuesday nights at 8:00 p.m. through October. I've seen clips of the series and it is truly fascinating.

Finding Your Roots with host Henry Louis Gates Jr. launches another great season, tracing the fascinating genealogy of his guests and sometimes the relationships between them. Who knew that Larry David and Bernie Sanders were related until Gates uncovered that connection? The season kicks off with **Hollywood Royalty**, revealing the family histories of Isabella Rossellini, Anjelica Huston, and Mia Farrow. It returns to our schedule Tuesday, October 8 at 7:00 p.m.

General Manager KUED

KUED has been in production on **Marriner Eccles: Father of the Modern Federal Reserve**, which premieres Monday, October 21 at 9:00 p.m. and repeats Sunday, October 27 at 2:00 p.m. Our award-winning Producer-Director-Writer John Howe provides an in-depth look at the Utahn who helped lead the U.S. out of the Great Depression by devising innovative ways to stimulate the economy. Eccles' achievements made him a national hero.

And look for new programs from **FRONTLINE**, **Nature**, **NOVA**, and the debut of a new mini-series, **Wild Metropolis**, which begins Wednesday, October 2 at 9:00 p.m. KUED keeps you engaged with exceptional programming, year after year!

SUMMITVISTA

It's all within reach

Summit Vista offers a retirement unlike anything Utah has ever seen. It is Utah's first Life Plan Community that includes timesaving services, exceptional amenities, and a residence for the future that, if needed, will take its members beyond independent living. The primary focus is on aging successfully, and keeping its residents active, healthy, and engaged in life.

Located in Taylorsville, the 105-acre campus features resort-style amenities, such as a fully equipped fitness center, an indoor heated pool and spa, a convenience store, a hair salon, restaurants, a bank, outdoor walking paths, gardens, and a putting green.

Summit Vista believes that healthy aging is a result of continued engagement in life. It consists of close social relationships, involvement in meaningful and productive activities, and regular use of valued skills and abilities.

Variety truly is the spice of life, and residents can choose from an ever-expanding list of clubs, a vast array of popular pastimes, multidominational spiritual services, and other enriching experiences unparalleled in retirement.

Another benefit of living at Summit Vista is the availability of coordinated, integrated, and comprehensive medical services from a network of dedicated Intermountain Healthcare providers.

Summit Vista provides unparalleled support and a high quality of life to its residents. They are also new underwriters to KUED, supporting quality PBS programs.
