## Manager's Memo

Our station is the only source for PBS programming in the state of Utah since the departure of KBYU in 2017. We currently provide a comprehensive service to the state with four over-the-air channels.

On Monday, November 25th, we announced another exciting change — we are now PBS Utah! Continuing our 61-year history of service to Utah, it's an evolution of our brand and a more accurate statement of who we are. With our name change, our on-air and print graphics will change as well. But, we're still who we've always been — a vital resource with a mission and commitment to serve Utah with the best public media has to offer on-air, online, and out in the community.

Our new look will also make us easier to identify whether you're watching on over-the-air television, cable, satellite, via our website, or on the PBS Video App. With thousands of hours of programming available on PBS Utah, World, Create, PBS KIDS 24/7, and the web,

**James Morgese**  
General Manager PBS Utah

we will be on any device, at anytime, and anywhere.

**On Friday, December 13 from 7:30 a.m. to 6:00 p.m., PBS Utah and our friends at the Eccles Broadcast Center are holding its annual Food and Clothing Drive in partnership with the Urban Crossroads Center. We invite you to bring your gently-used clothing items, frozen turkeys and hams, and non-perishable food. Just drive up to our tent located in our parking lot at 101 Wasatch Drive, and volunteers will unload your donations for you.**

The staff at PBS Utah wish you a very warm and happy holiday season.

We provide the following **four channels**

## SPONSOR PROFILE

### MDF ESTATE PLANNING

With over 20 years of experience in the asset protection business, MDF Estate Planning has built a solid reputation as a firm that helps clients effectively manage their estate through planning programs. They cater to a large clientele base including landlords, multiple property owners, professionals with high liability exposures, and individuals with middle to high net worth.

Clients from different industries benefit greatly from their Premier Irrevocable Life Estate Trust, which is affordable, timely, and very effective. Assets within their clients' trusts are safe from their personal and business liabilities.

At MDF Estate Planning, they believe that estate planning isn't just about what you want to protect — it's all about how you protect what you own for you and your inheritors' sakes.

Their estate planning services eliminate uncertainties and offer clients peace of mind. MDF provides the best tools that promote effective management of your estate, especially when you can't do it on your own.

They also protect your property by placing them in special Trusts. Doing so gives you control over who benefits from the property without worrying about liabilities.
