KSHB-TV's most significant issue-responsive programming during the second quarter of 2018 included:

<u>Issue</u>	<u>Date</u>	<u>Program</u>	<u>Length</u>
<b>Education</b>	<b>4/23/18</b>	<b>41 Action News at 6pm</b>	<b>1:30</b>

A local mom is desperate for her son to transfer schools – saying his Autism makes him at target for bullies. Lawanda feels that “other health impairment” designation is the problem. She wants the school to update his education plan to read Autistic. She thinks that will make it easier for him to transfer to another school.

<b>Education</b>	<b>4/17/18</b>	<b>41 Action News Early Edition 430am</b>	<b>1:20</b>

After months of back and forth – Kansas schools are expected to have a new funding plan today. The Governor plans to sign the bill in about 4 hours. The State Supreme Court would then need to approve it. The bill has about a half billion dollar increase over the next five years. 41 Action News reporter Ariel Rothfield learned how this is affecting school districts as they plan for next year.

<b>Government</b>	<b>6/23/18</b>	<b>41 Action News Today 6am</b>	<b>1:10</b>
-------------------	----------------	---------------------------------	-------------

The Trump Administration says 500 children have been reunited with their families... But thousands more are still awaiting answers. And we now know dozens are in Kansas. The Kansas Department for Children and Families visited those children Friday at the Villages – a set of group homes in Topeka. Officials say the kids appear to be adjusting well and having their needs met.

A power struggle leads to a surprise for several Independence city employees. They learned their jobs were on the chopping block. But it was all to save taxpayer money. 41 Action News reporter Dia Wall joins us – Dia, what led to this?

<u>Issue</u>	<u>Date</u>	<u>Program</u>	<u>Length</u>
<b>Health</b>	<b>4/18/18</b>	<b>41 Action News at 6pm</b>	<b>1:30</b>

You may have heard about the JUUL E-Cigarette. Today, doctors and public health officials asked the FDA to take strong and immediate action against the JUUL. They say it has the same amount of nicotine in it as a pack of cigarettes and as NBC's Erika Edwards reports, it's gaining popularity among teens.

<b>Health</b>	<b>5/27/18</b>	<b>41 Action News Today Weekend 8am</b>	<b>3:00</b>
---------------	----------------	---	-------------

We are continuing our series Spotlighting Mental Health awareness month this morning. April Roller from Cosplay for Hope joins me today. April, before we get into how you are helping people – suicide prevention is a very personal topic for you, correct? Cosplay for Hope is a newly-formed mental health awareness and suicide prevention non-profit organization.

<b>Public Safety</b>	<b>4/13/18</b>	<b>41 Action News Today at 6am</b>	<b>:50</b>
----------------------	----------------	------------------------------------	------------

Uber is taking some new steps to make sure your next ride is safe. Once you're in the car, you'll have some new features on the app. An emergency button to connect you to a 9-1-1 dispatcher. Uber is also testing a trusted contacts list that will let you share trip details with up to five friends and family members. Uber is also planning to roll out a safety center on the app this summer – featuring advice from police.

<b>Public Safety</b>	<b>5/31/18</b>	<b>41 Action News at 6pm</b>	<b>2:00</b>
----------------------	----------------	------------------------------	-------------

Building a fence around your pool is not only a great safety net to keep kids out. It's also the law. And as one local homeowner discovered, sometimes a fence isn't enough to keep people away from your private pool. 41 Action News reporter Andres Gutierrez has her story.

<b>Military/Veterans</b>	<b>5/28/18</b>	<b>41 Action News Today at 6am</b>	<b>:50</b>
--------------------------	----------------	------------------------------------	------------

Reacclimating into civilian life can be a challenge for servicemen and women. After serving overseas, many veterans can return to a much more difficult fight here at home. If you stop by the National World War I Museum today, you will see 140 flags. Each one represents the number of veterans who take their lives each week. The Department of Veterans Affairs says a vet is 22% more likely to take their own life than the average person.

<b>Military/Veterans</b>	<b>6/26/18</b>	<b>The Now, KC at 4pm</b>	<b>1:33</b>
--------------------------	----------------	---------------------------	-------------

Through the Veterans' Community Project, Tiny Homes Village opened its doors to homeless veterans. The Now KC's Rae Daniel shares with us how a young group of volunteers are helping these veterans spruce up their new places, while also building up confidence of their own.
