KXBX-AM, KXBX-FM, KQPM, KNTI

QUARTERLY ISSUES/PROGRAMS LIST–Submitted Apr 10  
(For programming aired January1 through March 31, 2013)

This Quarterly Issues/Programs List is a list of non-entertainment programming which, in the opinion of the management of the Station, represents the most significant treatment by the Station of certain issues believed to be of community concern. The list is not intended to be a comprehensive list of all of the Station's non-entertainment programming. Nor is it designed to list every program broadcast by the Station that is responsive to the selected issues. Included are only those programs in which the Station devoted significant time or depth to the various issues.

Local stories covered play a minimum of 3 times during the day and often have continued topic coverage:

Local News coverage is in a 2 minute format and plays Monday through Friday in the 7am, 8am, 12pm, 4pm and 5pm hours. Below are summaries of topics covered in our Local News, with dates they aired. These are not the entire story, just excerpts from what was reported intended to give a overview.

## **GOVERNMENT**

01-09

The Lakeport City Council has rejected a wrongful termination and breach of contract claim filed against the city by its former attorney. Steve Brookes of Kelseyville had served as the city's attorney for 30 years by the time the council unanimously voted to terminate him during a closed session last July 2.

01-09 The Lake County Board of Supervisors unanimously approved the disbanding of the Clear Lake Advisory Committee this week.

02-06 Postal workers from Ukiah joined American Postal Workers Union members from San Francisco by protesting outside of Staples yesterday. They are unhappy with a deal the USPS made with Staples back in October that allows Staples employees to man U.S. Postal stations inside those stores, instead of U.S. Postal workers.

02-07 Small, nonfarm businesses in 39 California counties are now eligible to apply for low-interest federal disaster loans from the U. S. Small Business Administration. The loans offset losses from reduced revenues caused by the drought.

02-13 Mendocino County Counsel Tom Parker has resigned. In a letter, Parker said that due to personal reasons, he would be taking early retirement from Mendocino County.

02-24 The IRS is pleased with the fix the County will make to the retirement system for Mendocino County employees. It's a plan that will repay its pension reserves \$9.5 million of the money the system had wrongly used for retiree health benefits.

03-12 The filing deadline for three important Mendocino County seats is today. Three incumbents did not file for reelection - they include Meredith Ford, the current county Auditor Controller; John Pinches, Third District Mendocino County Supervisor; and Paul Tichinin, the county's Superintendent of Schools.

03-18 The Willits City Council has voted to reduce the Willits water emergency level from Phase V to Phase IV. Phase IV emergency water restrictions include a 25 percent cut for commercial and industrial users compared with the prior year and a 200 gallon per day maximum residential use.

03-24 What will the tax split be between the city of Ukiah and Mendocino County? The County has requested a 50/50 split, but The city has proposed a a 70/30 split of sales tax revenue.

## **CIVIL**

01-02 The children's Library in the Ukiah Library is back open. That section of the library had to be closed on December 13th after mold was noticed in the area.

01-09 An agreement between Costco and the city of Ukiah related to the sale of the property on Airport Park Boulevard where the store is intended to go has been approved. The agreement states that once Costco receives all the necessary permits and approves of the city's plan to pay for promised road improvements, it will buy the property set aside by the city and build a store.

01-24 Approved. That's the status of the Site Development permit for the planned Costco warehouse on Airport Park Boulevard. The commission has made some changes to the landscaping plan that lowers the height of the parking lot lights, and changes some of the types of trees that will be planted.

01-31 You may have experienced some traffic delays lately. That's because there are a number of road work projects going on around Lake and Mendocino Counties. Bridge rehabilitation work on Highway 162 at the Outlet Creek Bridge will be ongoing from 7am-3pm weekdays.

02-04 The Lake Family Resource Center recently had to close down the Warming Center on Saturday and Sunday nights because volunteers were no-shows and they couldn't have the double staff structure they feel is important for safety reasons of both the staff and guests.

02-06 The Ukiah Daily Journal says the City Council has put off a decision on the redwood trees on their property. UDJ wants to save the trees, but to do that, the council wants them to insure the trees and release the city from any responsibility for damages a falling limb might cause.

02-06 A group of mobile home park owners think the senior mobile home park rent control initiatives that will be on the ballots in the county and city of Lakeport this year aren't legal, and they're going to court.

02-07 The Board of Supervisors in Lakeport have approved a new Lake County Animal Care and Control program that they hope will reduce the number of pit bulls that are being euthanized. The program will reduce the cost of spay/neuter services and provide free vaccination for pit bulls.

02-19 The Lake County Department of Public Works's annual routine roadside weed abatement program will begin soon. Crews will apply herbicides along certain county-maintained roads. Property owners with frontage along certain road locations can request that no weed abatement occur adjacent to their residence or property.

02-26 The Lake Family Resource Center's warming center will be closing on Friday, with guests leaving Saturday morning at 8AM. The is thankful to the community for helping them stay open through February.

02-28 Clearlake residents will have two taxes to vote on when June comes around. The Clearlake City Council voted to put a 1-percent sales tax measure on the ballot. The county .5-percent lake transaction and use tax will also be on the June ballot.

03-21 A group suing the city of Ukiah over the the environmental impact report prepared for a proposed Costco store will go up against 2 attorneys: one for the store, and another for the city. The lawsuit, filed by Ukiah Citizens for Safety First, claims that Costco "will create dangerous traffic conditions on Highway 101" and its EIR should not have been certified by the Ukiah City Council.

## **ENVIRONMENTAL**

01-03 2014 has gotten off to a warm and dry start in Lake County and most of California, and forecasters say that isn't going to change in the near future. The US Drought Monitor's latest report has Lake County listed as being in □ severe drought."

01-07 You won't be offered plastic bags from practically anywhere starting today. That's because the plastic bag bans adopted last year by the county of Mendocino and city of Ukiah for large stores extends to general merchandise stores and small grocery stores today. Stores in Ukiah and the unincorporated areas of Mendocino County can no longer offer plastic bags to you, or they could face fines of up to \$500 per violation and could be sued by the city or county.

01-08 The Mendocino County Board of Supervisors have voted unanimously to declare a local state of emergency declaration because of the drought conditions.

01-08 Eighty-percent of the state of California is in a severe drought...and it just hit closer to home. The Mendocino County Board of Supervisors unanimously approved a state-of-emergency declaration yesterday.

01-16 Mendocino County has set a new record...but it's not one the county wants. 2014 is the driest year on record with no relief in sight. The valley usually gets about 37 inches of rain a year.

01-17 Since Lake Medocino depends on Lake Pillsbury for its storage, PG&E is asking to reduce the amount of water it releases from Scott Dam. Russian River Flood Control & Water Conservation Improvement District, General Manager Sean White said their board has signed a letter advising all who depend on water from Lake Mendocino and the Russian River to voluntarily conserve water.
