Program Title: Donate Life Month

Date: March 31, 2024

Source: Programming

Host: WooWoo

Guests and titles: Dr Amber Carrier – General Surgeon with Sentara

Dr Amber Carrier was a guest on the show to discuss Donate Life Month, which begins Monday April 1st. Along with donations that come after a person has passed away, Dr Carrier discussed the importance of being a living organ donor. She also shared with us the myths of organ donation and dispelled those myths. We also brought up a recent headline about the recent news in which a man was implanted with a pig's kidney. The discussion was interesting and I can say we learned a lot about organ donation. For those who wanted to learn more, we sent them to DonateLifeVirginia.com.

I'm Listening / March / Mental Health Seg 1

Guest: Victor Armstrong-AFSP, Steve Siple-AFSP Contributor

Contact: David Glover, Host

Link:

Airdate:

Category: Mental Health

Description: Talk Away the Dark: How to Have Open and Honest Conversations with Men. Men are less likely to talk about their mental health struggles than women, which is why it's so important to break down stigma and open the door for these conversations. Community and friendships are huge protective factors against suicide. We seek to emphasize the critical role that asking someone directly about suicide plays in suicide prevention and demonstrate how to have supportive conversations with loved ones about mental health and suicide prevention.
