Emphasis on diversity and experience.

**2. Animal Exploration with Jarod Miller**

**Target Audience: Ages 13 years to 16 years**

"Animal Exploration with Jarod Miller is a half-hour live action television program designed to meet the educational and informational needs of children. In each episode, Jarod looks at exotic and domestic animals from his own unique perspective. Every week Jarod travels to zoos and aquariums to explore animals that fit a particular theme, whether it's the need for speed or animal heroes – there's always something amazing happening. The mission of this program is to inspire viewers, children and adults alike

**3. Jack Hanna's Animal Adventures**

**Target Audience: Ages 13 years to 16 years**

"Jack Hanna's Animal Adventures" is a half-hour action television program designed to meet the educational and informational needs of children. In each episode, the cameras follow Jack as he spends time with nature's creatures across the continents. Jack talks with people that are knowledgeable about each animal and habitat, teaching as he goes. Each episode is designed to reveal to children the world around them in a way that presents positive role models and pro-social values within an environmentally responsible universe.

**4. Jack Hanna: Into the Wild**

**Target Audience: Ages 13-16**

"Jack Hanna's: Into the Wild" is a live-action television series designed to educate and inform children 13-16 years of age, although Jack strives to make this show educational and fun viewing for all audiences. The series is based on Jack traveling the world with friends & family, taking the viewer to his favorite destinations and introducing them to new & amazing creatures each week. Throughout his travels, he raises awareness of different cultures, geography and spectacular animals and animal facts, while teaching children the importance of stewardship of our environment through his documented donations to conservation efforts worldwide.

**5. Gladiators 2000**

**Target Audience: Ages 13-17**

"Gladiators 2000" is a fun and interactive fitness-based educational program geared towards high school-aged children. Though the show's emphasis lies in health and nutritional education, the program blends other core academic subjects such as English, History, Social Studies and Mathematics in a balanced and exciting manner. Through a series of team-based competitions, 2 pairs of students are challenged to earn points by running relays, maneuvering through obstacle courses and thinking quickly on their feet. The completion of these physical tasks is complemented by the correct answering of subject based questions. Overall, Gladiators 2000 is an educational tool which may be used in or out of the classroom as a supplement to health and nutrition curriculum, and reinforces the moral values necessary to developing a healthy mind & body.

**6. Saved By The Bell**

**Target Audience: Ages 13 years to 16 years**

"Saved By The Bell" is a weekly television series targeted to teens 13-16 years of age, which explores social themes and coping strategies through the daily school life of six teen-aged friends at Bayside High who help each other make the most of growing up in a complicated world. The multi-ethnic cast members serve as role models for young teen viewers as they deal with such issues as the death of a loved one, the right to say "no", the meaning of heroism, teenage alcohol use and other issues of particular concern to young teens.

**12:30p-1:00p: Animal Exploration with Jarod Miller: Episode 418 - Fierce Fighters Part II**

Jarod highlights animals that fight ferociously for their food and their habitats.

**1:00p-1:30p: Jack Hanna's Animal Adventures: Episode 2242 - "Rhino Capture"**

In South Africa, redistributing wildlife to areas without animals has proven to be an effective conservation tool. As Jack found out in Zululand, the safe relocation of rhino has evolved into a science, if not an art form. But, at the same time, capturing a wild rhino can still provide plenty of excitement. Jack also has fun visiting the Duma Zulu cultural village.

**1:30p-2:00p: Jack Hanna's Into the Wild: Episode 209 - Best of Fiji**

Come along with Jack and his family for their most memorable adventures in Fiji! See Jack dive with a bull shark, encounter a highly venomous sea snake and get in a sticky situation with a sea creature. Then Jack takes part in some local traditions and learns of Fiji's ominous past.

**2:00p-2:30p: Gladiators 2000: Episode 115**

"Gladiators 2000" is a fun and interactive fitness-based educational program geared towards high school-aged children. Through a series of team-based competitions, 2 pairs of students are challenged to earn points by running relays, maneuvering through obstacle courses and thinking quickly on their feet. The completion of these physical tasks is complemented by the correct answering of subject based questions.

**2:30p-3:00p: Saved By the Bell: Episode AFM14 - The Election**

Zack runs for President for all the wrong reasons and wins the race. He learns a lesson in friendship and resigns his post.
