**KRNM(FM) Public File Statement:
Issues and Programs List**

Marianas Educational Media Services, Inc., licensee of KRNM, broadcasts classical music from a network source. Its programming mission is to serve local listeners whose broadcast access to classical programming was severely reduced when the local public radio affiliate replaced most of its classical music with other genres.

MEMS has not included in KRNM's programming any community issues programs or discussions as described in 47 CFR §73.3527(e)(8), which would require us to list them in its Public File.

A handwritten signature in dark ink, appearing to read "Darryl A. Borja Taggerty", is written over a light gray rectangular background.
